## THE WEST VIRGINIA PLAN OF ADJUDICATION

### Rating I (Division I)

This division represents the finest conceivable performance for the event and the class of participants being judged; worthy of the distinction of being recognized as among the very best.

### Rating II (Division II)

This rating reflects an unusual performance in many respects but not one worthy of the highest rating due to minor defects. Yet it is a performance of distinctive quality.

### Rating III (Division III)

This rating is awarded for a good performance but one that is not outstanding. The performance shows accomplishment and marked promise but is lacking in one or more essential qualities.

### Rating IV (Division IV)

This rating describes a performance that shows some obvious weaknesses. These may reflect handicaps in the way of instrumentation or lack of rehearsal time.

### Rating V (Division V)

This rating indicates a performance which reveals much room for improvement. The director should check his methods, instrumentation, etc., with those of more mature organizations.

### \*Comments Only

A band director may choose to not receive a rating - just comments. This is to encourage bands to attend their Regional Festival even though they lack numbers or instrumentation.
