BULLETIN

TO: Member School Principals and Superintendents

FROM: Gary Ray, Executive Director

DATE: May, 2009

SUBJECT: Regional Principals' Meetings

During the May 19, 1993 meeting, the Board of Appeals approved Annual Regional Principals' Meetings. By order of the Board of Appeals, the principal or designated representative must attend, or the school will not be issued C & I Cards. The goal of the meetings is to keep principals informed of new rule changes and other important issues.

A personal invitation is also extended to all superintendents, board of education, and other school staff members. A county well-informed of WVSSAC policies can only enhance and improve communications and understanding of the goals and objectives of this organization. It is suggested that principals check with their county office concerning possible continuing education credit for attending one of these meetings.
