

Dear Coaches,

You have been given an assignment during each day of the State Tournament; you will find your assignment either listed below as a spotter, scoring table or as a marker on the tee sheets. If you are a spotter you need to be at your hole location at 8:50 and you may leave once the final group plays through. Also, you may want to bring a chair with you for sitting during the course of your day. Your lunch will be brought out to you. Markers on Day 1 & Day 2 will be responsible for the score card distribution in your group, please pick up your group's cards at designated area. If you are a marker please try to shuttle a spotter to their hole. Please be at your starting hole by 8:50am.
