

2008-2009 REGIONAL BAND FESTIVAL RESULTS

The status of member school bands are listed below as to whether they attended Regional Band Festivals. The Festival Plan requires member schools (high schools, Middle School/9th Grade schools) to participate in the festival in their region within the guidelines of the Festival Plan. Section 127-5-5 of the WVSSAC Rules and Regulations Handbook states, "In order to qualify for approved participation in activities outside the home county and counties contiguous to the home county (including out-of-state), bands of member schools must have participated within the guidelines of the WVSSAC Band Festival Plan in the most recently conducted regional band festival."

THE WEST VIRGINIA PLAN OF ADJUDICATION

Rating I (Division I)

This division represents the finest conceivable performance for the event and the class of participants being judged; worthy of the distinction of being recognized as among the very best.

Rating II (Division II)

This rating reflects an unusual performance in many respects but not one worthy of the highest rating due to minor defects. Yet it is a performance of distinctive quality.

Rating III (Division III)

This rating is awarded for a good performance but one that is not outstanding. The performance shows accomplishment and marked promise but is lacking in one or more essential qualities.

Rating IV (Division IV)

This rating describes a performance that shows some obvious weaknesses. These may reflect handicaps in the way of instrumentation or lack of rehearsal time.

Rating V (Division V)

This rating indicates a performance which reveals much room for improvement. The director should check his methods, instrumentation, etc., with those of more mature organizations.

***Comments Only**

A band director may choose to not receive a rating - just comments. This is to encourage bands to attend their Regional Festival even though they lack numbers or instrumentation.
