Registration Form

The American Association of Cheerleader Coaches and Advisors (AACCA) safety certification is endorsed by the National Federation of State High School Associations, National Collegiate Athletic Association, National Athletic Trainers Association, University Risk Managers, Dollamur Sport Surfaces and the Women's Sport Foundation.

Our certification, modeled after and edited by the creators for the USGA & USDA certification, has tested successfully in numerous courts of law and is considered a standard in the cheerleading industry. Our comprehensive program contains useful information for coaches of all levels.

The fee is \$75 (\$55 if you already have the AACCA safety manual.) Included in this fee is AACCA membership. The program lasts for approximately four hours and includes a 100 question multiple choice exam. All required material will be discussed prior to the exam. The passing grade is 70% and certification is good for four years. Individuals who have certified prior to 2002 should recertify at this time. **DEADLINE FOR REGISTRATION IS ONE WEEK PRIOR TO THE CLASS! PLEASE DO NOT REGISTER BY E-MAIL.**
