

WVSSAC GAME DAY REQUIREMENTS:

1. The WVSSAC Pitch Count Chart of both teams must be presented (upon request) to the opposing coach **BEFORE** the game for review.
2. During the game, pitch counts will be recorded by each team and the Registered Pitch Count Recorder. Any discrepancy in the pitch count of either pitcher will be resolved at the conclusion of each half inning. Both team recorders and the Pitch Count Recorder will compare the count of the current pitchers for both teams at the conclusion of every half inning. This will be done at a location within the confines of the field as determined by the host. If the counts are not the same, the predominant count (2 out of 3) will be considered official. If all three counts do not match, the count indicated by the Pitch Count Recorder will be considered official.
3. At the game's conclusion, the WVSSAC Pitch Count Chart will be signed by both head coaches and the Pitch Count Recorder.
4. Both schools will then have the responsibility to maintain every WVSSAC Pitch Count Chart and up to date pitch count information until their school season is complete. Any discrepancy found after a game will be reported to the WVSSAC and treated as an issue to resolve. A hard copy of all WVSSAC Pitch Count Charts must be available upon WVSSAC request.
