DISCRIMINATION PROHIBITED: As required by federal laws and regulations, the West Virginia Secondary School Activities Commission does not discriminate on the basis of sex, race, color, religion, handicapping condition, marital status, or national origin to employment or in its programs and activities. Inquiries may be referred to Gary Ray, Executive Director, 2875 Staunton Turnpike, Parkersburg, WV 26104. NOTE: State and Federal laws include Title IX, Education Amendments of 1972; Title VI, Civil Rights Act of 1964; Title VII, Civil Rights Act of 1964; Rehabilitation Act of 1973, Section 504; and other State and Federal laws and regulations governing students and employees.

BELIEFS AND OBJECTIVES

The Commission believes that a controlled activities program is a strong factor in the development of courage, personality, cooperation, and leadership. The Commission believes that representatives of a school should be good citizens of that school, hence the need for requirements and regulations governing eligibility that have been standardized.

The Commission is designed to provide means for the unbiased and amicable settlement of disputes regarding activities.

The Commission seeks to present proper ideals of sportsmanship so that coaches, players, school authorities, game officials, and spectators may combine to make any activity enjoyable and productive of physical and social benefits to both sides involved in the contest, with partisanship and prejudice eliminated as far as possible.

To accomplish these objectives the Commission asks the cooperation of its members, all lovers of clean, wholesome activities, and all fans, young and old, who believe in our American system of interscholastics.

HISTORICAL SKETCH

The West Virginia High School Athletic Association was organized June 17, 1916, during a meeting of the West Virginia State Education Association. The original draft of the Constitution and Bylaws as formulated by Mr. R.J. Gorman, Charleston, West Virginia, was submitted to the principals of the high schools by Principal W.C. McKee of Charleston High School.

The charter members were Bluefield, Charleston, Clarksburg (Washington Irving), Elkins, Fairmont West, Grafton, Huntington, Parkersburg, St. Marys, Sistersville and Wheeling.

The first officers were: President, John G. Graham, Principal of Huntington High School; Vice President, Benjamin H. Williams, Principal of Beaver High School, Bluefield; and Secretary-Treasurer, H. P. Johns, Principal of Wheeling High School.

The officers of the association were to be three in number; namely, a president, a vice president, and a secretary-treasurer.

After a few minor changes of the original draft, the eleven charter member schools met and adopted the Constitution and Bylaws by an unanimous vote.

The Association grew very rapidly during the ensuing years, and the work on the part of the secretary-treasurer especially became very burdensome. During these years on three or four occasions, moves were made to employ a full time executive secretary, a step that had been taken in several other states. However, on each occasion, such proposal was defeated.

It was not until 1946 that the Board of Control of the Association realized that a principal of a member school could not serve his school in an acceptable manner and at the same time serve as secretary-treasurer of the High School Athletic Association.

As a result of a meeting of the Board of Control held in Bluefield, West Virginia, on April 6, 1946, "the report of the Committee on the Executive Secretary was distributed to the members in mimeographed form, and on motion of Principal W. C. Whaley, East Fairmont, and seconded by Principal Robert L. Bryan, South Charleston, the report was accepted by a majority vote."

The report accepted was as follows:

"The president, vice president and treasurer shall constitute a Board of Appeals, which board shall have authority to appoint an executive secretary to serve for a period of four years or during the will and pleasure of the Board of Appeals. The beginning salary of the executive secretary shall be three thousand four hundred dollars (\$3,400) to four thousand dollars (\$4,000)."

Shortly after the meeting in Bluefield, the Board of Appeals met and employed William R. Fugitt as the first Executive Secretary of the West Virginia School Athletic Association, and Mr. Fugitt immediately set up his office in Beckley, West Virginia.

Mr. Fugitt came into his new position well prepared for the work ahead. A graduate of Marshall College (AB) and the University of Cincinnati (MA), Mr. Fugitt began his career as an elementary principal. He then taught and coached at Proctorville, Ohio, and Dunbar, West Virginia, after which he served for four years as a high school principal in Beckley. From 1933 to 1937, Mr. Fugitt was Assistant County Superintendent of Raleigh County Schools.

During Mr. Fugitt's tenure as Executive Secretary of the Secondary School Activities Commission, he was elected President of the National Federation of State High School Associations, an organization in which some 20,000 senior and Middle School/9th Grade hold membership.

During Mr. Fugitt's tenure in office, the name of the Association was changed to that of the West Virginia Secondary School Activities Commission. This took place in 1955.

Mr. Fugitt passed away on November 3, 1959 and was succeeded by W. Gordon Eison who, at that time, was a member of the Board of Appeals. The office was moved to Charles Town for a short time and then to Parkersburg upon Mr. Eison's relocation.

Mr. Eison was a graduate of Glenville State College (AB) and West Virginia University (MA). He served the Wirt County Board of Education for a period of 14 years as teacher, coach, principal, and county superintendent of schools before moving on to the principalship of Charles Town High School in Jefferson County.

Mr. Eison was in his 12th year as principal at Charles Town when appointed to the Executive Secretary position. During his tenure as Executive Secretary, he, like Mr. Fugitt, was elected President of the National Federation of State High School Associations.

Mr. Eison retired September 1, 1975 and was succeeded by Mr. Sam Williams who, at the time, was serving as West Virginia's first Assistant Executive Secretary.

Mr. Williams was educated at Glenville State College (AB) and received his MA at West Virginia University. He then became Principal of Wirt County High School and served in that capacity for ten years. From Wirt County, Mr. Williams moved to New Matamoras, Ohio, where he served as Executive Head of that school district for two years and moved on to St. Marys High to serve as principal for five years. For a period of twenty years, Mr. Williams was active as a football official in high schools and colleges in West Virginia and Ohio and was ranked as one of the top football officials in the Mid-Atlantic Conference.

It was during his tenure that the Commission experienced tremendous growth, particularly in the area of girls sports and state level championships. The current WVSSAC office was also built during this time. Mr. Williams retired on January 1, 1986.

Mr. Bill Hanlin became Executive Secretary on January 1, 1986, after serving as Assistant Executive Secretary since 1975. Mr. Hanlin was educated at Glenville State College (AB). He then coached football at Tyler County High School and Ashland High School, Ashland, Ohio. Mr. Hanlin entered the University of Maryland as a graduate assistant and earned his MA Degree. After receiving his MA at Maryland, he returned to St. Marys High School as football coach for nine years. He returned to Glenville State College as head coach in football from 1966 until 1975 before becoming the Assistant Executive Secretary.

Important programs implemented during Mr. Hanlin's tenure included the officials and schools rating systems, PROJECT TARGET, the Academic Achievement Awards and state-wide cheering competition. He also served on the National Federation of State High Schools Executive Committee as Vice President and was a member of the National Federation TARGET Executive Committee.

Mr. Jim Hamrick assumed the Executive Secretary position on January 16, 1989. A graduate of Glenville State College (AB) and West Virginia University (MA), Mr. Hamrick began his career at his high school Alma Mater, Meadow Bridge High School. After teaching math and coaching there for three years, he moved to Rainelle High School where he was head coach of all sports for four years. From there he went to Clendenin High School for one year. During that time he was a member of the WVSSAC Board of Appeals, directed the State Track Meet and served on numerous other WVSSAC Committees. He was also a member of the National Federation Track Rules Committee on two occasions. From there he moved on to Herbert Hoover High School for seven years. In 1970 he was named as principal at Clendenin Junior High School where he served until 1989. For twenty-five years he served as a football, basketball, baseball and track official. He also directed numerous state basketball tournaments and was director of the state track meet for thirteen years. He retired in August 1992.

Mr. Warren Carter assumed the position as Executive Secretary in September 1992. He had served as Assistant Executive Secretary since 1985. He graduated from Shepherd College (AB) and West Virginia University (MA). Mr. Carter taught at Charles Town and later assumed the principalship of Shepherdstown High School. He was the Principal at Jefferson High School at the time of his appointment to the WVSSAC staff. Prior to that time he had served as President of the Board of Appeals and as a member of the National Federation Executive Committee.

Important programs expanded or implemented during Mr. Carter's tenure included Sportsmanship, Ethics, and Integrity Program, NFICEP Coaches' Education, Regional Principals' Meetings, Girls' Sports, state cham-

pionships in swimming and three-person officiating crews in basketball. He was also largely responsible for technology advancements such as computerized scanning of forms, office networking, and creation of a WVSSAC web site. He retired in December 1999.

Ms. Janet Pannett was appointed Assistant Executive Secretary in January 1993. She was appointed Administrative Assistant of the WVSSAC in July 1986. Ms. Pannett was a graduate and former instructor and coach at West Liberty State College. She received her MA degree from West Virginia University. During her tenure, tremendous growth and development occurred in the girls program and implementation of state-wide competition in cheerleading.

He taught and served as Principal at Sherrard Jr. High School and in 1972 assumed the Assistant Principalship at John Marshall High School. REORGANIZATION AND LEGALIZATION

Prior to 1952, the Bylaws consisted of major rules to which had been added, over the years, explanations and rulings based upon interpretations and decisions of various Boards of Appeals. As a result of general acceptance and long usage, these explanations and interpretations acquired force and meaning comparable to the basic rules. Consequently, at the annual meeting of the Board of Control in 1952, official action was taken declaring that, because of usage, explanations and interpretations under the rules are a part of the rules.

At the annual meeting in 1955 a constitution was adopted establishing authority for a reorganization to include all interscholastic activities and the changing of the name of the organization from the "West Virginia High School Athletic Association." The reorganization provided for a division of the Bylaws into two separate parts: "The Athletic Bylaws" and "The Non-Athletic Activities Bylaws."

An act to amend Article 2, Chapter 18 of the Code of West Virginia of 1931 as amended by adding thereto a new section, designated Section 25, pertaining to The West Virginia Secondary School Activities Commission was enacted into law by the West Virginia Legislature on March 11, 1967. The new law created the West Virginia Secondary School Activities Commission as a legal entity, an arm of the county school boards. As such it is authorized by law to make rules and regulations and to adjudicate contested cases.

Prior to the enactment of the law in 1967, the Commission's scope of jurisdiction included supervision, control and regulation of all interscholastic extracurricular activities of the schools of its members. The law now limits the Commission's scope of jurisdiction to interscholastic athletic events and band activities.

The position of the Commission was further strengthened as the result of a decision rendered by the West Virginia Supreme Court of Appeals in a case styled, WEST VIRGINIA SECONDARY SCHOOL ACTIVITIES COMMISSION v HARVEY OAKLEY, JUDGE, AND EDWARD LEE, dated September 1968.

The decision rendered is long and need not be recounted here in its entirety. However, a few very significant statements from that decision are important enough to be included in this section on LEGALIZATION. (Boldface is pertinent. Points not necessarily in order in the decision).

1. As a general rule courts should not interfere with the internal affairs of school activities commissions or associations.
2. The West Virginia Secondary School Activities Commission is still for all intents and purposes in the same position as it has been for the past fifty years; that is, that member schools eligible to participate may voluntarily do so, and after such participation, they agree to comply with the rules and regulations that have governed such organization in the past and will govern in the future.
3. The organization has had rules for eligibility of students to participate in athletics or procedure for declaring such students ineligible to participate and for disciplinary procedures for member schools

and for the review of such action or decision made by the officers of boards of the association or organization during its entire existence. Where such procedure is provided for in such organization or association the procedure must be followed and due process of law may be afforded administratively without the use of or application to the courts.

(State ex. rel. Burchett v Taylor, 150 W.Va. 702, 149 S.E. 2d 234.)

The question as to whether a student’s participation in interscholastic athletics is a CONSTITUTIONAL RIGHT or a PRIVILEGE was answered in litigation in the UNITED STATES DISTRICT COURT, SOUTHERN DISTRICT OF WEST VIRGINIA, CHARLESTON, in a Civil Action case No. 79-2497 Harris vs. West Virginia Secondary School Activities Commission, et. al.

On September 2, 1981, Chief Judge Dennis R. Knapp ruled:

“The Supreme Court held that a student’s legitimate entitlement to an education is a property interest protected by the due process clause of the Fourteenth Amendment, Gross vs. Lopez, 419 U.S. 754; 95 S. Ct. 729 (1975). However, participating in interscholastic athletics is only a mere expectation rather than a constitutionally protected claim of entitlement and, thus, falls outside the protection of due process. Moreland v. Western Pennsylvania, 572 F. 2d 121 (3rd Cir. 1978). Even if the plaintiff’s due process arguments were well founded, the WVSSAC, in both its rules and actions, provided plaintiff with a sufficient review procedure that ultimately resulted in the relief sought.”

Judge Knapp’s decision was appealed to the UNITED STATES COURT OF APPEALS FOR THE FOURTH CIRCUIT in Richmond, Virginia. On May 2, 1982, Senior Circuit Judge Clement F. Haynsworth, Jr. and Circuit Judges H. Emory Widener, Jr. and Robert F. Chapman agreed with and affirmed the District Court’s opinion.

In June, 1987, a Petition for Writ of Mandamus was filed by A. James Manchin, Treasurer of State of West Virginia, asking that the WVSSAC comply with statutory requirements of state agencies and that the WVS-SAC deposit with the State Treasurer, within 24 hours, “all monies received or collected by them for or on behalf of the State for any purpose whatsoever.”

The Supreme Court ruled and Justice McHugh wrote the opinion in December 1987. This opinion stated that “Funds received by the West Virginia Secondary School Activities Commission, which operates pursuant to authority granted it by county boards of education under W.Va. Code 18-2-25 (1967), are quasi-public funds” as defined in W.Va. Code 18-5-13 (1987), and are to be accounted for in a manner similar to that provided for funds of county boards of education, but such funds are not to be accounted for under W.Va. Code 12-2-2 (1983) as “monies due the State.” Consequently, the Writ of Mandamus on behalf of Treasurer Manchin was denied.

The titles Executive Secretary, Assistant Executive Secretary and Board of Appeals were changed by the Board of Control in April 2002 to Executive Director, Assistant Executive Director, and Board of Directors respectively.

NATIONAL FEDERATION OF STATE HIGH SCHOOL ASSOCIATIONS

The National Federation consists of the fifty individual state high school athletic and/or activities associations and the association of the District of Columbia. Also affiliated are nine interscholastic organizations from the Canadian Provinces of Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland-Labrador, Nova Scotia, Ontario, Prince Edward Island, Saskatchewan and Quebec as well as the Canadian School Sports Federation and the associations of the Republic of the Philippines, Guam and Saint Thomas.

These associations have united to secure the benefits of cooperative action which eliminates unnecessary duplication of effort and increases efficiency through the pooling and coordinating of ideas of all who are engaged in the administration of high school athletic and activities programs.

ORIGIN AND GROWTH

The national organization had its beginning in a meeting at Chicago on May 14, 1920. L.W. Smith, secretary of the Illinois High School Athletic Association, issued invitations to neighboring states, and state association representatives came from Illinois, Indiana, Iowa, Michigan and Wisconsin. The primary purpose of the meeting was to discuss problems which had resulted from high school contests which were organized by colleges and universities or by other clubs or promoters. In many cases, little attention was paid to the eligibility rules of the high school associations or to other school group regulations, and chaotic conditions had developed. At this first meeting it was decided that the welfare of the high schools required a more active part in the control of such athletic activities be exercised by the high school through the state associations, and this control necessitated the formation of a national organization. A Constitution and Bylaws were adopted and the group decided on the name "Midwest Federation of State High School Athletic Association." Principal George Edward Marshall, Davenport, Iowa, was elected president and Principal L.W. Smith of Joliet, Illinois, was elected secretary-treasurer.

In 1921, four states — Illinois, Iowa, Michigan and Wisconsin — continued their interest and became charter members through formal ratification of the constitution. Largely due to their efforts, the national organization grew during the early years.

In 1922, the Chicago annual meeting was attended by representatives from eleven states, and the name of the National Federation of State High School Athletic Associations was adopted. A number of college and university representatives who attended the meeting expressed sympathy for and interest in the efforts to introduce a high degree of order in the regulation of interscholastic contests.

Since that time, the National Federation has had a healthy growth to its present nationwide membership. By 1940, a national office with a full-time executive staff became necessary, and such office was established in September of that year.

The legislative body is the National Council made up of one representative from each member state association. Each representative must be a state association chief executive officer or governing board member. The executive body is the Executive Committee of twelve members from the eight territorial sections as outlined in the Constitution. Their election is by the National Council at its summer meeting.

STATEMENT OF PHILOSOPHY

The purpose of the National Federation of State High School Associations is to coordinate the efforts of its

member state associations toward the ultimate objectives of interscholastic activities. It shall provide a means for state high school associations to cooperate in order to enhance and protect their interscholastic programs. In order to accomplish this, the National Federation is guided by a philosophy consistent with the accepted purposes of secondary education. Member state associations' programs must be administered in accordance with the following basic beliefs:

Interscholastic activities shall be an integral part of the total secondary school educational program which has as its purpose to provide educational experiences not otherwise provided in the curriculum, which will develop learning outcomes in the areas of knowledge, skills and emotional patterns and will contribute to the development of better citizens. Emphasis shall be upon teaching "through" activities in addition to teaching the "skills" of activities.

Interschool activities shall be primarily for the benefit of the high school students who participate directly and vicariously in them. The interscholastic activity program shall exist mainly for the value which it has for students and not for the benefit of the sponsoring institutions. The activities and contests involved shall be psychologically sound by being tailored to the physical, mental and emotional maturity levels of the youth participating in them.

Any district and/or state athletic meet competition to determine a so-called champion shall provide opportunities for schools to demonstrate and to evaluate the best taught in their programs with the best taught in other schools and in other areas of the state.

Participation in interscholastic activities is a privilege to be granted to those students who meet the minimum standards of eligibility adopted cooperatively by the schools through their state associations and those additional standards established by each school for its own students.

The state high school associations and the National Federation shall be concerned with the development of those standards, policies and regulations essential to assist their member schools in the implementation of their philosophy of interscholastic activities.

Nonschool activities sponsored primarily for the benefit of the participants in accordance with a philosophy compatible with the school philosophy of interscholastics may have values for youth. When they do not interfere with the academic and interscholastic programs and do not result in exploitation of youth, they shall be considered as a worthwhile supplement to interschool activities.

The welfare of the schools demands a united front in sports direction policies and the high school associations provide opportunity for this unity. **They must be kept strong!**

Code and such other rules and regulations promulgated by the West Virginia Board of Education.

10.10. Nothing in these regulations shall be construed as limiting or in any way effecting the validity of emergency rules and regulations which have been duly approved by the Board of Directors in accordance with subsection 6.7 of these regulations. Emergency rules and regulations will be effective upon the date they are filed with the Secretary of State of State of West Virginia and remain in effect until the next meeting of the Commission.

11.3. The Executive Director shall not be removed during the term of office contract period except for just and reasonable cause. Reasonable cause may include, but not be limited to the following: immorality, incompetency, cruelty, insubordination, intemperance, willful neglect of duty, unsatisfactory performance, the conviction of a felony or a guilty plea or a plea of nolo contendere to a felony charge.

§127-1-12. Duties of the Executive Director.

13.1.3. Members of the Review Board need not be members of the association which submitted their names in nomination and shall be appointed for a term of five (5) years. 13.1.4. The term of office of each member of the Review Board will begin upon the acceptance of the appointment and will expire on June 30 of the year in which the term expires.

13.1.5. The member with the shortest remaining tenure on the Review Board shall serve as its chairman. Each appointed member of said Review Board shall have equal voting privileges.

13.1.6. In the same manner as prescribed in subsection 13.1(d) of these regulations, the West Virginia Board of Education shall have power to fill any vacancy which occurs in the membership of the Review

127CSR1

Board. Such appointments shall be made at the next regular or called meeting of said Board of Education following the existence of a vacancy and shall be for the unexpired term of the position vacated.

13.1.7. Members of the Review Board shall serve without pay but shall be reimbursed for actual expenses incident to the performances of their duties upon presentation to the West Virginia Department of Education an itemized sworn statement thereof. Costs shall be taxed by the Review Board at its discretion, not to exceed the actual expenses incurred, against the party who fails to prevail and the Review Board may, in its discretion, if it so desires, require any appealing party to post security for costs with the State Superintendent of Schools the sum of two hundred (\$200) dollars.

13.1.8. The Review Board will sit for hearings within a reasonable time after the aggrieved party having a matter for review files an appeal but not longer than thirty (30) days after such appeal is filed, and at such other times as the Review Board may determine, at the State Capitol in Charleston, or in such other place as the Chairman of said Review Board may elect.

13.2. The West Virginia Department of Education shall make available adequate and competent secretarial services to record the proceedings and transactions of each meeting of the Review Board and to prepare the official written report, required elsewhere in these regulations, on each decision rendered by said Review Board.

13.3. Any decision of the Board of Directors involving a penalty, protest, or interpretation of the rules and regulations of this Commission governing interscholastic athletic or band activities may be appealed to the Review Board in the manner hereinafter described. Said appeal may be made by any member of the aggrieved party which is directly affected by the decision of the Board of Directors and aggrieved by such decision of the Board of Directors.

13.3.1. Appeals must be filed with the State Superintendent of Schools of West Virginia within fifteen (15) days after any final decision of the Board of Directors of the West Virginia Secondary School Activities Commission.

13.3.2. Upon receipt of said appeal, the State Superintendent of Schools shall immediately notify each member of the Review Board of said appeal and the chairman of said Review Board who shall forthwith set a date, time and place for hearing and shall immediately notify all interested parties, in writing, of the same.

13.3.3. The filing of any appeal shall not stay enforcement nor act to supersede the prior ruling or decision of the Board of Directors. However, pending the hearing of any appeal, at its discretion, the Board of Directors may grant a stay of enforcement upon such terms as it deems proper.

13.4. Proceedings for review shall be instituted by filing a petition, in quintuplicate, with the State Superintendent within fifteen (15) days after the date upon which such party received notice of the final order or decision of the Board of Directors. A copy of the petition shall be served upon the West Virginia Secondary School Activities Commission or its Executive Director and all other parties of record by registered or certified mail. The petition shall state whether the appeal is taken on questions of law or questions of fact, or both. No appeal bond shall be required to effect any such appeal.

13.4.1. Within fifteen (15) days after receipt of a copy of the petition by the West Virginia Secondary School Activities Commission, or its Executive Director, or within such further time as the Review Board may allow, said Commission or said Executive Director shall transmit to such Review Board, the original or a certified copy of the entire record of the proceedings under review, including a transcript of all testimony and all papers, motions, documents, evidence and records as were before the said Commission, all Commission staff memoranda submitted in connection with the case, and a statement of matters officially

127CSR1

noted; but, by stipulation of all parties to the review proceedings, the record may be shortened. The expense of preparing such record shall be taxed as a part of the costs of the appeal. The appellant shall provide security for costs involved. Upon demand by any party to the appeal, said Commission shall furnish, at the cost of the party requesting same, a copy of such record. In the event the complete record is not filed with the Review Board within the time provided for in this section, the appellant may apply to the Review Board to have the case docketed, and the Review Board shall order such record filed. Failure of the said Commission to file the record within the time stipulated shall automatically stay the enforcement of the order or decision of the Board of Directors, in that particular case, and such stay shall continue until such record is filed.

13.4.2. Appeals taken on questions of law, fact, or both, shall be heard upon assignment of error filed in the case or set out in the briefs of the appellant. Errors not argued by brief may be disregarded, but the Review Board may consider and decide errors which are not assigned or argued.

13.4.3. The review shall be conducted by the Review Board without a jury and shall be upon the records made before the Commission, except that in cases of alleged irregularities in procedure before the Commission not shown in the record, testimony thereon may be taken before the Review Board. The Review Board may hear oral arguments and require written briefs.

13.5. After hearing all evidence and arguments, the Review Board shall render a decision in one (1) of three (3) forms:

13.5.1. Sustaining the ruling of the Board of Directors;

13.5.2. Reversing the ruling of the Board of Directors; or

13.5.3. Remanding the matter to the Board of Directors for further action.

a. The Board of Review shall reverse, vacate or modify the order or decision of the Board of Directors if the substantial rights of the petitioner or petitioners have been prejudiced because the administrative findings, inferences, conclusions, decisions or orders are

A. In violation of constitutional or statutory provisions;

B. In excess of the statutory authority or jurisdiction of the Commission;

C. Made upon unlawful procedures;

D. Affected by other error of law;

E. Clearly wrong in view of the reliable probative and substantial evidence on the whole record; or

F. Arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

b. Four (4) members, present and eligible to vote, shall constitute a quorum for the Review Board to transact all business.

c. A majority vote of those members of the Review Board in attendance at any hearing shall be required to render a decision. Such decision shall be final and binding on all parties concerned.

127CSR1

d. Within thirty (30) days from the date of any hearing, the Review Board shall make a written report of its decision, stating briefly therein its reasons for such a decision. Copies of the report shall be mailed to the State Superintendent of Schools, the Executive Director of the West Virginia Secondary School Activities Commission and, upon written request, to other interested parties.

13.6. Nothing in these regulations shall be construed to limit the Board of Directors in performing its regular duties as provided in the regulations of the West Virginia Secondary School Activities Commission; in making investigations and initiating proceedings against any member of said Commission; in making interpretations of the rules of eligibility of student athletes or band members; or in imposing penalties for the violations of any rules, regulations or bylaws of said Commission.

13.6.1. §127-1-8.5 of the Constitution, and §127-6-3.2 of these regulations which infer or state that decisions of the Board of Directors are final are hereby modified only to the extent that such final ruling of the Board of Directors may be appealed within the time limit in the manner prescribed elsewhere in these regulations and affirmed, reversed or remanded by the Review Board.

§127-1-14. Rules and Regulations.

14.1. The Constitution and Bylaws of the West Virginia Secondary School Activities Commission are the rules and regulations of said Commission.

§127-1-15. Board of Trustees.

15.1. The Board of Directors shall appoint a five (5)-member Board of Trustees. Each trustee shall be a principal of a member school and shall serve during the will and pleasure of said Board of Directors. Two (2) or more members serving as principals of secondary schools located in the same administrative district shall be ineligible to serve as trustees at the same time.

15.2. The Board of Trustees and their lawfully appointed successors shall hold title to all real estate and other property owned by the West Virginia Secondary School Activities Commission except as shall be directed otherwise by the Board of Control.

15.3. The Board of Trustees shall elect from the membership thereof, to hold office for a term of one (1) year or until a successor shall be elected, a chairman and, if need requires, a vice-chairman, secretary and treasurer.

15.4. The Board of Trustees shall serve without pay or honorarium.

15.5. If it so elects, the Board of Control shall direct the Board of Trustees to incorporate in accordance with the pertinent laws of West Virginia and in such manner as will fully protect and exempt from any and all legal liability the individual officers and members, jointly and severally, of the West Virginia Secondary School Activities Commission for an account of the debts and other obligations of every kind and description of said Commission.

15.6. Should a trustee withdraw from membership of the Commission or be excluded therefrom, his trusteeship therein shall automatically cease from the date of such withdrawal or exclusion.

15.7. Should a trustee refuse, within five (5) days from the receipt thereof, to execute a legal instrument relating to any property of the Commission, when directed to do so by the Board of Control or the Board of Directors, and when all legal requirements have been satisfied with reference to execution, the Board of Directors may declare his membership on the Board of Trustees vacated.

127CSR1

15.8. The Board of Control and/or the Board of Directors may direct the trustees with respect to the purchase, sale, mortgage, encumbrance, construction, repairing, remodeling and maintenance of any and all property, real and personal, as may be committed to said trustees by said Board of Control or Board of Directors.

TITLE 127 LEGISLATIVE RULE WEST VIRGINIA SECONDARY SCHOOL ACTIVITIES COMMISSION

SERIES 2 ATHLETICS, PROVISIONS GOVERNING ELIGIBILITY

§127-2-1. General.

1.1. Scope. - These rules establish the provisions governing student eligibility to participate in interscholastic athletics.

1.2. Authority. - W. Va. Constitution, Article XII, §2 and W. Va. Code §18-2-25.

1.3. Filing Date. - July 10, 2015

1.4. Effective Date. - September 8, 2015

1.5 Repeal of Former Rule. This legislative rule amends W.Va 127CSR2, West Virginia Secondary School Activities Commission Series 2, Athletics, Provisions Governing Eligibility, filed January 8, 2014, and effective March 10, 2014..

§127-2-2. Waivers.

2.1. The Board of Directors is authorized to grant a waiver to a rule when it determines the rule fails to accomplish the purpose for which it is intended or when the rule works extreme and undue hardship upon the student.

2.2. Speculative loss of college scholarship is not considered a basis for granting a waiver to these rules.

§127-2-3. Enrollment and Team Membership.

3.1. To be eligible for participation in interscholastic athletics, a student must be enrolled full-time in a member school as described in Rule 127-2-6 on or before the eleventh instructional day of the school year. Enrollment must be continuous after the student has officially enrolled in the school.

3.2. Students can participate only in schools in which they are enrolled; however, an exception may be granted by the Board of Directors as follows:

3.2.a. if a feeder school does not afford students the opportunity to participate and they are otherwise eligible.

3.2.b. for students from the WV Schools for the Deaf and the Blind (WVSD&B) to participate at Hampshire High School or Romney Middle School (only in sports not available at WVSD&B).

3.2.c. if member schools containing grades 6 and/or 7 and/or 8 may combine students from two or more schools within the county to form one interscholastic team in a sport. Requests for permission to combine students from two or more schools in the same non-public or public school system must be submitted annually to the West Virginia Secondary School Activities Commission (WVSSAC) in writing by the superintendent of the non-public or public school system. Schools which are combining to form one team must be feeder schools for the same high school and at least one school does not have sufficient numbers for a team. If more than two schools are involved, principals are to evaluate the number of available

127CSR2

participants in each school and shall combine schools to provide as many teams that sufficient numbers will allow. Sufficient numbers will be defined as the number of a starting line-up plus 50% (for odd number line-ups, round up).(revised 2008-09)

3.2.d. Students enrolled in the ninth grade of a four, five or six year high school may participate on the high school team. Also, ninth graders of a feeder school may participate on their high school team and sixth grade students of a K-6 elementary feeder school may participate on their middle school/9th grade team if granted permission by the county board of education or governing body of a private/parochial school and the school principals involved. Once a ninth grade student becomes a member of the high school team said student will be ineligible for the middle school/9th grade team in that sport. Members of a 9th grade team may be grouped for practice with members of the varsity team. However, if a 9th grade student participates in a varsity scrimmage or game that student becomes ineligible for the 9th grade team. Participation is defined as dressing and being available to play in a game, regardless if said player enters the game. (revised 2011-12; 2015-16)

3.2.e. Students at a middle feeder school who are not provided the opportunity to participate because of age may move up to their high school if granted permission by the county board of education or governing body of a private/parochial school and the school principals involved.

3.3. A student academically ineligible by rule may begin practicing 15 school days immediately prior to the dates of regaining full eligibility provided all other eligibility requirements are met.

3.4. Students enrolled in the following grades in member schools will be eligible for freshman/middle school participation:(revised 2008-09)

3.4.a. Middle School - 6, 7 and 8 may compete with and against schools/teams of the same configuration.

3.4.b. Stand alone freshman programs may compete with and against schools/teams of the same grade configuration. An 8th grade student not provided the opportunity to participate at their member school because the sport is not offered may choose to participate on a stand alone freshman team at their feeder high school, provided the student is otherwise eligible.

3.5. Sixth grade students may be eligible to participate in interscholastic sport teams in the middle school in which they are enrolled. Beginning school year 2009-2010 sixth grade students may be eligible to participate in all interscholastic sport teams, including football, in the middle school in which they are enrolled.(revised 2008-09)

3.6. Students who are enrolled in a grade below the ninth are not eligible for a high school team. Students enrolled in a grade below the sixth will not be eligible for a middle school team.

3.7. Senior students will be eligible for spring sports until the close of the school's season.

3.8. Schools may sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill. If a school sponsors a team in a particular sport for members of one sex but sponsors no such team for members of the other sex, and athletic opportunities for members of that sex previously have been limited, members of the excluded sex must be allowed to try out for the team offered. For example, because overall athletic opportunities for females have previously been limited, females will be allowed to try out for baseball, but males will not be allowed to try out for volleyball or softball.

3.9. Students enrolled at WV School for the Deaf will be allowed to participate in sports at the WV School for the Blind. Students from the WV School for the Blind will be allowed to participate in sports at the WV School for the Deaf.

127CSR2

3.10. Boarding students at member schools, with the exception of students at the WV Schools for the Deaf and Blind, are not eligible. (Definition: A boarding student is one who receives room and board that is provided by said school unless such residence is based on Court Order or State Action.)

§127-2-4. Age.

4.1. A student in high school who becomes 19 and a student in junior high school who becomes 16 before August 1 shall be ineligible for interscholastic competition.

4.2. A student in high school who becomes 19 and a student in junior high school who becomes 16 on or after August 1 shall remain eligible for the entire year.

4.3. A student in a middle school (eighth grade being the highest grade) who becomes 15 before August 1 shall be ineligible for interscholastic competition at that level.

4.4. A student in a middle school (eighth grade being the highest grade) who becomes 15 on or after August 1 shall remain eligible for the entire school year at that level.

§127-2-5. Semester and Season. (revised 2014-15)

5.1. A student may have the privilege to participate in the interscholastic program for four consecutive years (eight consecutive semesters or equivalent) after entering the ninth grade of a four year high school.

5.2. A student shall not participate in more than three seasons while in grades 6-7-8 in any interscholastic activity.

5.3. Ten days of attendance or enrollment shall constitute a semester. Said ten days includes the day of enrollment, the last day of attendance and the elapsed time between, provided that they are days when school was actually in session.

5.4. The number of semesters of athletic eligibility of a student is determined by semesters of enrollment and attendance and not by semesters of participation. (This applies for students in grades 9-12 only).

5.5. A student whose eligibility expires with the end of a semester shall not become ineligible until report cards are issued or five school days into the next semester, whichever is less. The student will be considered eligible any days between the two semesters.

5.6. Any part of a contest or interscholastic event in which a student competes shall be counted as a season for that sport in grades 6-12 and a semester of participation in grades 9-12.

5.7. The Board of Directors is authorized to grant a waiver to the Semester and Season Rule when it feels the rule fails to accomplish the purpose for which it is intended and when the rule works extreme and undue hardship upon the student. Waivers may be granted in the following circumstances:

5.7.a. The Board is authorized to consider cases in which a student entering high school (explained in Rule 5.1) did not stay in continuous enrollment because of personal illness, or no school was available, or because of other undue hardship reasons ascertained through investigation.

5.7.b. The Board may provide release from the continuous enrollment restriction provided no participation had occurred during the semester(s) in question.

127CSR2

5.7.c. In no event may a student be allowed to participate in more than four (4) seasons in any one sport in grades 9-12.

5.8. The Board may also assess appropriate penalties to the student or to the school if said Board determines through its investigation that said student or said school did try to evade the rule by subterfuge.

§127-2-6. Scholarship.

6.1. A student is required to be enrolled in the equivalent of at least 20 periods (four subjects with full credit toward graduation) per week. (revised 2009-10)

6.1.a. A semester course that constitutes 8100 minutes of instruction (block schedule) will count as two subjects.

6.1.b. The student may select four full credits from any area of the curriculum offered by the school.

6.1.c. If a student is taking a multiple period subject, such as block or vocational courses for a full morning or afternoon, it may be counted as more than one subject. The number of subjects counted will be equal to the units of full credits given.

6.1.d. If a student has been declared ineligible according to the standards outlined above, the student may attend summer school and have eligibility reinstated if the student meets the standards at the conclusion of summer school.

6.1.e. If a student has been declared ineligible according to the standards outlined above, the student may have eligibility reinstated at midsemester if the student is meeting the standards at that time.

6.2. *Note:* Full credit is defined as one-half credit for a semester or 4050 minutes as provided by West Virginia Board of Education §126-42-1 et seq., "Assuring the Quality of Education: Regulations for Education Programs" (Policy 2510).

6.3. Schools providing for planned programs of independent learning during the regular school term may wish not to require all students to attend classes for 4050 minutes during a semester. In such instances, full credit may be awarded for satisfactory performance provided that it meets standards established by the county and West Virginia Department of Education.

6.4. Full credit may be awarded for subjects in addition to those offered by the school as well as experimental programs developed by the school itself provided that it meets standards established by the county and West Virginia Department of Education.

6.5. A student not attempting four (4) full credit subjects during a semester must complete one 9 weeks of school work to regain consideration for eligibility. (revised 2009-10)

6.6. Any student who withdraws from school and does not re-enroll within 10 school days of that withdrawal date will lose eligibility for the remainder of that semester.

6.7. Credit deficiencies cannot be made up after the last day of the semester, except in a case where a student whose final examinations and course credit are delayed due to illness which can be verified by a physician or as established by local Board of Education Policy. (revised 2009-10)

6.8. The official school transcript will be used to determine a student's eligibility and will be regarded as final.

127CSR2

6.9. In accordance with §126CSR26 West Virginia Board of Education Policy 2436.10, Participation in Extracurricular Activities (C-Rule), students must maintain a 2.0 average to participate in interscholastic athletics.

§127-2-7. Residence-Transfer. (revised 2008-09)

7.1. Part A - Residence - This residence rule applies to all students enrolled in grades 6-12 in both public and non-public member schools.

7.1.a. A student shall be eligible in the school located in the attendance zone in which the student's parents reside. Public secondary school attendance zones shall be established by official action by each county Board of Education. The attendance zones of a non-public member school shall be identical with the attendance zone of the public school in which the non-public member school is located. In the event of overlapping attendance zones, a student shall be eligible at the school in which the student first chooses to enroll upon entering the ninth grade. (revised 2012-13)

7.1.b. When a town or city is located in two counties and only one public secondary school is located in the town or city, students living in the town or city may attend this secondary school if mutually agreed upon by the two county boards of education and approved by the Board of Directors. A student shall be eligible at the school in which the student first chooses to enroll upon entering 9th grade.

7.1.c. A student who is in the care of the West Virginia Department of Health and Human Resources shall be eligible to participate in interscholastic athletics as a member of the athletic teams of the secondary school in the zone in which said West Virginia Department of Health and Human Resources places the student in a home, provided the student is otherwise eligible.

7.1.d. A student entering a school as an "unaccompanied youth" under the conditions of the McKinney-Vento Act may be granted eligibility for interscholastic competition by the Board of Directors in accordance with Rule 127-2-2. (revised 2013-14)

7.1.e. A student may be eligible outside the specified zone of attendance if the student has been in attendance in that zone the immediate preceding year (365 days). There can be no change of residence involving change of attendance zone during the immediate preceding year (365 days).

7.1.f. A student whose parents have resided in the school zone for a minimum of one academic year at which the student has been in attendance for a minimum of one academic year and whose parents make a bona fide change of residence to a new school zone during the school term may:

7.1.f.1. Retain eligibility as long as said student retains continuous enrollment and attendance or:

7.1.f.2. Transfer at time of change of residence to the school in the attendance zone in which the parents are now residing and be eligible in that school or:

7.1.f.3. Transfer at any time prior to the start of the next school year to the school in the attendance zone in which his parents are residing and be eligible for interscholastic activities at the receiving school.

7.1.f.4. However, a student who has started participation in a sport, which would include practice or contest, that they were participating in at a WVSSAC member school, may not participate in that sport for that sport season at the WVSSAC member school to where they transferred, so long as that transfer was within one contiguous county of their former member school. (Revised 2015-16)

7.1.g. A student whose parents have resided in the school zone for less than one academic year at which the student has been in attendance for less than one academic year and whose parents make a bona fide change of residence to a new school zone during the school term may:

127CSR2

7.1.g.1. Retain eligibility for the balance of the academic year, provided the said student retains continuous enrollment and attendance or:

7.1.g.2. Transfer at time of change of residence to the school in the attendance zone in which the parents are now residing and be eligible in that school or:

7.1.g.3. If a student chooses to remain enrolled at the school outside the attendance zone in which his/her parents reside at the conclusion of the academic year the student will be ineligible for the next academic year.

7.1.h. Foreign exchange students, attending a member school under the auspices of a Council on Standards for International Educational Travel (CSIET) student exchange program, shall be considered eligible regarding residence for a maximum period of one calendar year. Said foreign exchange student may not be a graduate of the secondary school of the home country and must maintain eligibility in a member school. A foreign exchange program must assign students to schools by a method which insures that no student, school, or other interested party may influence the assignment for athletic purposes.

7.1.i. A student returning from an approved foreign exchange program may resume interscholastic competition in a member school at the point of interruption provided the student does not fulfill graduation requirements while participating in the exchange program and provided the student meets all requirements relative to age and semesters of eligibility.

7.2. Part B - Transfer. (revised 2008-09)

7.2.a. If a student transfers during the school year from one secondary school to another secondary school, said student shall be ineligible for 365 days from date of enrollment, absent a bona fide change of residence. Determination of a bona fide change of residence depends upon the facts of each case and is defined as, but not limited to: (revised 2010-11)

7.2.a.1. The original residence must be abandoned as a residence; that is sold, rented, or disposed of as a residence and must not be used as a residence by the immediate family;

7.2.a.2. The change is being made with the intent that the move is permanent;

7.2.a.3. The entire family must make the change;

7.2.a.4. Documentation of connection of utilities to the residence; power, water, waste, sewer

7.2.a.5. Change of voter's registration, driver's license, mailing address, etc.,

7.2.b. If the transfer is from a non-member school to a member school in the zone where the student's parents reside, a student is eligible providing; (1) the student is enrolling in a member school for the first time and (2) the principals of both non-member and member schools involved concur that undue influence is not involved with the transfer.

7.2.c. A student may be transferred from one-attendance zone to another zone within the same county by a county board of education and maintain eligibility. The transfer must be initiated by county board of education personnel to fulfill certain special education programs(s) not available in the attendance zone from which the student is transferred. Upon the completion of the special program, the student must return to the attendance zone of the student's residence.

7.2.d. For the purpose of athletic eligibility, the Commission does not recognize emancipated status as relates to transfer except as might occur in marriage and relocation to another school zone.

7.2.e. Notwithstanding any other provisions of WVSSAC rules and regulations, if a student transfers for athletic reasons, the student will be ineligible for 365 days from the date of enrollment. A

127CSR2

transfer for athletic reasons depends upon the facts of each case and is defined as, but not limited to: (revised 2010-11)

7.2.e.1. Seeking a superior athletic team:

7.2.e.2. Seeking a team consistent with the student's ability.

7.2.e.3. Seeking relief from conflict with the philosophy or action of an administrator, teacher or coach relating to athletics;

7.2.e.4. Seeking a means to nullify punitive action by the previous school.

7.2.f. If a student is released and accepted by formal actions of county boards of education or similar governing bodies of a non-public school which have verified that such transfer is not for athletic purposes, said student will be granted immediate eligibility provided all other rules are met. The transfer must occur at the beginning of the 9th grade school year with the student enrolled on or before the eleventh instructional day of the beginning of the school year and provided that said student is residing with the parents. Once a student has been a member of a team that has participated in a scrimmage or contest, the student has established eligibility at that school.

7.2.g. TRANSFER BACK. During the 9th, 10th, 11th, 12th grades, a student shall be entitled to one transfer back into the member school located within the attendance zone where the student's parents reside. Any student transferring under the provisions of this rule will not become eligible until the completion of the school year in which said transfer occurs. Eligibility will begin with the succeeding fall sports season, or immediately if the transfer back is completed on or before the eleventh instructional day of the beginning of the school year. Once a student has been a member of a team that has participated in a scrimmage or contest, the student has established eligibility at that school. (Revised 2012-13)

7.2.h. If a member middle school student is released and accepted by formal actions of county board of education or similar governing bodies of a non-public school which have verified that such transfer is not for athletic purposes, said student will be granted immediate eligibility provided all other rules are met. The transfer must occur at the beginning of the school year with the student enrolled on or before the eleventh instructional day of the beginning of the school year and provided that said student is residing with the parents. Once a student has been a member of a team that has participated in a scrimmage or contest, the student has established eligibility at that school. (Added 2012-13)

7.2.i. The eligibility of a student whose parents are divorced or legally separated is determined by court decree establishing residency with one parent.

7.2.j After establishing initial residency with one parent, all subsequent transfers will require a period of ineligibility for 365 days from date of enrollment unless a change of residency is decreed by the court.

§127-2-8. Adoption/Guardianship.

8.1. A student shall be eligible to participate in interscholastic athletics only if (1) residing with one or both of the parents; (2) residing with a testamentary guardian following the death of the parents; or (3) residing in a location where the student was placed by the West Virginia Department of Health and Human Resources pursuant to WVSSAC Rule 127-2-7.1.c.

8.2. The residence of a testamentary guardian shall constitute the residence of the ward when, and only when, (1) such testamentary guardian has been duly appointed by the last will and testament of the student's last surviving parent; (2) said testamentary guardian has duly qualified as such before the proper tribunal in West Virginia; and (3) the student is actually residing in the household of the testamentary guardian at the time of the student's sport participation.

127CSR2

8.3. Notwithstanding any other provision of the WVSSAC rules and regulations, any student residing with a guardian/custodian other than a testamentary guardian may not compete for a school in any sport on the varsity level but may compete at the junior varsity level. If a student elects to participate at the junior varsity level pursuant to this rule, the student may not participate at the varsity level even after being enrolled at the school for 365 days. However, if a student elects to participate at the junior varsity level pursuant to this rule, and then commences to reside with a custodial parent, the student may participate at the varsity level notwithstanding the fact that the student had previously participated at the junior varsity level pursuant to this rule. (Revised 2015-16)

8.4. Notwithstanding any other provisions of WVSSAC rules and regulations, legal guardian/custodian may not be changed for athletic reasons. A transfer for athletic reasons is defined as, but not limited to:

8.4.a. Seeking a superior athletic team;

8.4.b. Seeking a team consistent with the student's ability;

8.4.c. Seeking relief from conflict with the philosophy or action of an administrator, teacher or coach relating to athletics;

8.4.d. Seeking a means to nullify punitive action by the previous school.

§127-2-9. Undue Influence - Recruiting.

9.1. The use of influence by a person or group connected or not connected with the school to secure or retain a student for athletic participation is not permitted and may cause the student to be ineligible and may cause certain sanctions to be placed against the member school.

9.2. An employee of the school system shall not initiate any communication regarding athletic participation or enrollment with a student, parent of a student, guardian or family member, in person or through a third party prior to enrollment. This does not include the introduction of athletic programs to students at feeder schools. (revised 2014-15)

9.3. A student, parent of a student, or guardian shall not be offered for the purpose of encouraging enrollment in a school or participation in an athletic program any inducement, such as free tuition, jobs, supplies, uniforms, other than that which is provided for all students.

§127-2-10. Non-school Participation.

10.1. During the school year and while a member of a school team, a student shall neither participate, which would include, but not limited to, fund-raising activities, team picture, tryouts, etc., on any formally organized non-school team in the same sport, nor shall the student compete as an individual unattached in non-school formally organized competition in the same sport. The following sports are exempted from the provisions of this rule: cross country, golf, swimming, tennis, track, and wrestling, providing: (revised 2011-12)

10.1.a. participation is approved by the student's principal.

10.1.b. the student misses no school-sponsored athletic contest involving a team in that sport.

10.2. A student may participate as a member of a national team (and the actual, direct tryouts thereof) which is defined as:

10.2.a. one selected by the national governing body of the sport,

127CSR2

10.2.b. while representing the National Federation in an International Schoolsport Federation,
or

10.2.c. as a representative of the United States in recognized national or international events.

10.2.d. a qualifier for the West Virginia Golf Association's Amateur Championship or the United States Golf Association's United States Amateur Championship.

10.3. A student who has participated on a non-school team or as an individual unattached in non-school formally organized competition after the beginning practice date of that sport will be ineligible for participation on that school team for that season in that particular sport except as provided by Rules §127-2-10.1 and 10.2.

§127-2-11. Amateur.

11.1. A student who represents a school in an interscholastic sport shall be an amateur in that sport. An amateur athlete is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived therefrom. An athlete forfeits amateur status in a sport by:

11.1.a. competing for money or other monetary compensation (allowable travel, meals and lodging expenses may be accepted);

11.1.b. receiving any award or prize of monetary value which has not been approved by the WVSSAC;

11.1.c. capitalizing on athletic fame by receiving money or gifts of monetary value (scholarships to institutions of higher learning are specifically exempted);

11.1.d. signing a professional playing contract in that sport.

11.2. Accepting a nominal, standard fee or salary for instructing, supervising or officiating in organized youth sports program or recreation, playground or camp activities shall not jeopardize amateur status. "Organized youth sports program" includes both school and non-school programs. Compensation for giving private lessons is permissible if approved by the WVSSAC.

11.3. A student who loses amateur status may apply to the WVSSAC for reinstatement in the interscholastic program after a waiting period of one complete high school season (starting practice date through state tournament or end of season) for that sport.

11.4. A senior student may participate in a professional tryout either during or after the season of that sport provided

11.4.a. that it does not occur on the day of a school contest of that sport, or

11.4.b. that it meets with the principal's approval.

§127-2-12. Participation as an Ineligible.

12.1. Any student who participates in an interscholastic athletic contest as an ineligible, either knowingly or inadvertently, shall be ineligible for a period not to exceed 365 days as determined by the Executive Director.

127CSR2

§127-2-13. Practice.

13.1. Only students enrolled and eligible to be listed on the eligibility certificate for that sport in the specific member school are allowed to participate in that school's practices. Exceptions - Rules 127-2-3.2, 127-2-3.5 and 127-2-13.6. (Revised 2012-13)

13.2. The frequency and length of practice is at the discretion of each member school.

13.3. Member schools of the WVSSAC may practice on any day of the year with the exception of Sunday practice. Rule 127-3-14.2 further clarifies Sunday practice.

13.4. Individual players of a team must have practiced

13.4.a. on 7 SEPARATE days before participating in an interscholastic scrimmage.

13.4.b. on 14 SEPARATE days, exclusive of the day of a contest, before participating in an interscholastic contest. The following sport(s) is exempted from the provisions of this rule: golf.

13.4.c. A student athlete who is absent from practice with their team for non-medical reasons, not under a doctor care, for more than fourteen (14) consecutive days must have the required full fourteen (14) practice days before resuming participation in a contest. Students participating in football must follow the practice progression as set forth in Rule 127-3-23. (revised 2011-12)

13.5. A student shall not be permitted to engage in interscholastic practice until that student has filed with the principal a completed Athletic Participation/Parental Consent/Physician's Certificate Form. Rule 127-3-3 further explains this required form.

13.6. A student academically ineligible may begin practicing 15 school days immediately prior to the date of regaining full eligibility. (All other ineligible students may not practice.)

13.7. If a student has established eligibility in a sport requiring 14 separate days of practice and is continuing to participate in that sport or no school days have lapsed from one sport to another sport in a same season, the student may participate in another sport of the season after completing seven separate days of sport specific practice in the second sport.

13.8. Students participating in a sport(s) in one season must have practiced 14 separate days, exclusive of the day of a contest, to be eligible to participate in a sport in the next season with the following exception: the student has continued to practice or participate in tournament play without an interruption of school days. The student must complete seven separate days of sport specific practice in the second sport.

§127-2-14. Concussion. (added 2013-14)

14.1. Member schools are to provide information in the format approved by the WVSSAC Board of Directors to appropriate school administrators, coaches, interscholastic athletes and their parents or guardians describing the nature and risk of concussion and head injury, including the risks of continuing to play or practice after a concussion or head injury. Annually, all interscholastic athletes and their parents are required to sign and return a statement that they have read the information provided to them prior to the interscholastic athlete beginning practice or competition for that scholastic year. (See, WVSSAC, Sports Medicine tab, Sports Medicine Packet: Athletic Participation/Parental Consent/Physician's Certificate Form (Physical Exam Form), A Parent's Guide to Concussions (Information to parents), available on the WVSSAC website at <http://www.wvssac.org>.)

14.2. Each head coach of member schools is required annually to complete a concussion and head injury recognition and return-to-play protocol course approved by the WVSSAC. (See, WVSSAC, Sports Medicine tab, Sports Medicine Packet: Coach's Course, available on the WVSSAC website at <http://www.wvssac.org>.)

14.3. An interscholastic athlete suspected of a concussion or head injury by a licensed health care professional or by the head coach or athletic trainer shall be removed from play or practice may not return-to-play or practice until the athlete is evaluated by a licensed health care professional trained in the evaluation and management of concussions and receives written clearance to return-to-play and practice from the licensed health care professional. (See, WVSSAC, Sports Medicine tab, Sports Medicine Packet: available on the WVSSAC website at <http://www.wvssac.org>.)

14.4. Any of the following who have appropriate training in the evaluation and management of head injuries shall be considered as the licensed health care professional enumerated in this rule:

- 14.4.a. Medical Doctor (MD)
- 14.4.b. Doctor of Osteopathy (DO)

- 14.4.d. Advanced Registered Nurse Practitioner (ARNP)
- 14.4.e. Physician Assistant (PA-C)
- 14.4.f. Registered Certified Athletic Trainer (ATC/R).

14.5. Member schools must submit the concussion report form to the WVSSAC within 30 days of an interscholastic athlete suffering or being suspected of suffering a concussion or head injury in a practice or game. (See, WVSSAC, Sports Medicine tab, Sports Medicine Packet, available on the WVSSAC website at <http://www.wvssac.org>.)

14.6. The West Virginia Board of Education shall be notified if any of the documents referred to in this section of the rule are revised, amended, or altered as to form or content. APPENDIX

§126-26-1 et seq., West Virginia Board of Education
Policy 2436.10, "Participation in Extracurricular Activities"

127CSR2

TITLE 126 LEGISLATIVE RULE WEST VIRGINIA BOARD OF EDUCATION

SERIES 26 PARTICIPATION IN EXTRACURRICULAR ACTIVITIES (2436.10)

§126-26-1. General.

1.1. Scope. – This legislative rule establishes academic eligibility of students to participate in extracurricular activities both during and after normal school hours in West Virginia public schools.

1.2. Authority. – W. Va. Constitution, Article XII, §2 and W. Va. Code §18-2-5.

1.3. Filing Date. — May 16, 2008.

1.4. Effective Date. — June 16, 2008.

1.5. Repeal of Former Rule. — This legislative rule amends W. Va. 126CSR26, West Virginia Board of Education Policy 2436.10, Participation in Extracurricular Activities, filed August 10, 1984 and effective September 10, 1984.

§126-26-2. Applicability.

2.1. This policy applies only to interscholastic athletics, student government, and class officers in grades 6-12. Excluded from this policy are co-curricular activities which are closely related to identifiable academic programs/areas of study and which serve to complement academic curricular activities such as vocational, linguistic, mathematic, scientific, forensic, theatrical, musical, journalistic and other similar academic cocurricular activities.

§126-26-3. Eligibility.

3.1. In order to participate in the extracurricular activities to which this policy applies, a student must meet all state and local attendance requirements and:

3.1.1. Maintain a 2.0 average.

a. A 2.0 average is defined as a grade-point average (GPA) of 2.0 or better on a scale where an “A” mark earns 4 points, a “B” is awarded 3 points, a “C” is worth 2 points, a “D” is given a value of 1 point, and an “F” is worth 0 points.

b. For purposes of achieving the clearest and most uniform application of the policy for those schools which use a numerical grading system, all numerical grades shall be converted to the corresponding letter grade. Each letter grade shall be assigned the appropriate value as set forth above, and the average thereof computed to determine whether the student is eligible. No enhanced value should be given for a “plus” or “minus” designation, such as “B+” or “C-”; all grades with the same letter designation have the same numerical value in the 4.0 scale.

c. In computing a student’s “grade-point average” (GPA) for purposes of this policy, all subjects undertaken by the student and for which a final grade is recorded are to be considered. Athletic practice may not be counted as a subject. The total number of classes taken is divided into the total number of “grade points” earned to determine the GPA. Classes for which a pass/fail is awarded will be included in computing the GPA only if the student failed the class.

d. A student's eligibility will be determined for each semester by his or her GPA the previous semester (or, in schools which do not use the traditional semester approach, during the previous eighteen week period).

e. If a student does not maintain a 2.0 average for the semester, he or she will be ineligible for participation for the following semester. Students not meeting eligibility requirements shall be reviewed at the mid-point of the second semester (the nine week point) to determine whether the student has achieved a 2.0 average.

f. If a student does not earn a 2.0 average by the end of the second semester, he or she may attend summer school to raise the GPA so that he or she is eligible for participation at the beginning of the next school year. For purposes of computing the GPA after summer school, all of the student's grades from the second semester plus his or her grade from the summer school will be used to determine the GPA.

g. A student who has not achieved a 2.0 GPA for the previous semester may have his or her eligibility reinstated at midsemester if the student has attained at least a 2.0 GPA. In schools and/or counties where the traditional semester approach is not used, the nine week point shall be utilized in place of the midsemester.

h. In the case of students with exceptionalities as set forth in West Virginia Board of Education Policy 2419, *Regulations for the Education of Students with Exceptionalities* (W. Va. 126CSR16), if grades are given, all grades received from placements in regular classrooms and special education classrooms should be included when computing the GPA. Exceptional students placed in ungraded programs will be eligible for participation in extracurricular activities if their records indicate that they are making satisfactory progress in meeting the objectives of their individualized education program (IEP).

i. Students who have had a break in public school attendance for any reason may be required to establish eligibility after re-enrollment in the public school. If the county school system accepts the transfer of credits/grades earned in the non-public setting, then those credits/grades shall be used in determining academic eligibility. If the county school system does not accept the transfer of credits/grades earned in the non-public setting, then eligibility must be established after re-enrollment in the public school setting. Eligibility shall be gained at midsemester (nine week point) if the student has attained at least a 2.0 GPA. In schools and/or counties where the traditional semester approach is not used, the nine week point shall be utilized in place of the midsemester.

j. Students who are entering public schools or other Secondary Schools Activities Commission (SSAC) member schools for the first time will be eligible for participation as follows:

(A) Students who have not earned grades that the receiving school will accept for credit upon transfer will be eligible upon enrollment and must have a 2.0 GPA at the end of the semester in which they enroll to remain eligible.

(B) Students who have earned grades that the receiving school will accept for credit upon transfer must have earned a 2.0 GPA in the previous semester to be eligible upon enrollment. If not eligible upon enrollment, the student shall become eligible at the midsemester (nine week point) if the student has attained at least a 2.0 GPA.

Questions and Answers

1. How do you compute GPA with block scheduling?

Answer: After careful review of eligibility determination and block scheduling, it appears that perhaps this issue has been made too complicated. If one keeps in mind that eligibility is based upon half credits of the previous semester (18 weeks), eligibility may easily be determined by using the Student Permanent Record Card and the amount of credit attempted.

The following three recordings should clarify GPA computation for eligibility:

- (1) Semester Recording: All full credit courses with final course grade recorded.

Course	Grade	Attempted Credit	Quality Points
English 10	A	1	4
History	B	1	3
Band	C	1	2
Algebra	D	1	1
GPA: $(4+3+2+1) \div 4 = 2.5$ eligible			

- (2) Semester Recording: All full credit courses with nine week grades recorded.

English 10	A/B	1
History	C/B	1
Band	C/C	1
Algebra	D/F	1
GPA: $(4+3+2+3+2+2+1+0) \div 8 = 2.125$ eligible		

- (3) Semester Recording: Combination of full and half credit courses recorded.

English	A	1
History	B	1
Band	C	1
Civil War	C	.5
Tumbling	B	.5
GPA: $(4+4+3+3+2+2+2+3) \div 8 = 2.875$ or $(4+3+2+1+1.5) \div 4 = 2.875$ eligible		

*In all cases, the computation of summer school grades will be based upon the method of recording on the Student Permanent Record Card and the amount of credit attempted.

2. How do you compute the 2.0 average?

Answer: (1) The basis for computing the grade-point average (GPA) will be the number of regularly scheduled periods, exclusive of study hall, non-graded classes, audited classes, or pass/fail classes for which a passing grade is given.

(2) One grade will be given for each period. If two (2) or more classes are taken during a period within a semester, the letter grade for each class will be converted to its appropriate grade point and averaged by the number of classes to determine a grade point for that period.

Examples:

- (1) **2 classes**

9 weeks class - grade B - 3
 9 weeks class - grade C - 2
 5 \div 2 = 2.5 average

- (2) **3 classes**

6 weeks class - grade B - 3
 6 weeks class - grade D - 1
 6 weeks class - grade D - 1
 5 \div 3 = 1.66 average

The letter grade for each of the other periods will be converted to a grade point. Then all the grade points will be totaled and divided by the number of periods.

Examples:

(1) 2 classes in one period		2.5 average
Math -----	C=	2.0
Social Studies -----	C=	2.0
English -----	F=	0.0
Science -----	C=	2.0
Music -----	B=	3.0
-----		11.5 \div 6 = 1.916 ineligible

(2) 3 classes in one period		1.7 average
Math -----	B=	3.0
Social Studies -----	C=	2.0
English -----	B=	3.0
Science -----	D=	1.0
		10.7 \div 5 = 2.14 eligible

3. How do you compute summer school?

Answer: The basis for determining the number of periods will be the number of half credits awarded. Each half credit will count as one period and will be added to all grades earned during the second semester. The average will then be recomputed.

Example:

a. Classes from the previous semester:

2 classes in one period		2.5 average
Math -----	C=	2.0
Social Studies -----	C=	2.0
English -----	F=	0.0
Science -----	C=	2.0
Music -----	B=	3.0
		11.5 \div 6 = 1.916 ineligible

b. Classes for summer school:

English - 1/2 credit - -----	B=	3
Algebra - 1/2 credit - -----	B=	<u>3</u>
		6

Final Average:

2 classes in one period		2.5 average
Math -----	C=	2.0
Social Studies -----	C=	2.0
English -----	F=	0.0
Science -----	C=	2.0
Music -----	B=	3.0
English -----	B=	3.0
Algebra -----	B=	3.0
		17.5 \div 8 = 2.1875 eligible

4. How are grades averaged if a student is in a class three days in a week and study hall the other two?

Answer: The grade earned for the class will be pro-rated to arrive at a period grade. In other words, if a class meets three days a week for a semester, that class would count as three-fifths or .6 in the calculation. For example:

Physical Education (3 days per week) — A = 4 points x .6 (3/5) = 2.4

Physical Education-(.6)-----	A =	2.4
Math -----	C =	2.0
Social Studies -----	C =	2.0
English -----	F =	0.0
Science -----	C =	2.0
Music -----	B =	3.0
		11.4 \div 5.6 = 2.0358 eligible

5. If a student attends vo-tech school for three class periods but only receives one grade for these 3 periods, how do you compute the average?

Answer: The grade will be counted three times and considered as three periods.

6. How do you compute the grade when a student is taking three subjects during a class period during a semester?

Answer: The grades for each subject will be averaged to get a class grade. For example:

1st 6 weeks -	grade B =	3.0
2nd 6 weeks -	grade C =	2.0
3rd 6 weeks -	grade C =	2.0
		$7.0 \div 3 = 2.333$ - grade point average for that class period

7. How will schools on modular schedules without traditional class periods be computed?

Answer: Each grade per one-half unit will be counted as one period. Classes for which less than one-half unit is awarded may be grouped together to form one-half unit (at least 4,050 minutes) and the grades earned in those classes then computed as in question 6. In grades 7 and 8, where units are not awarded, classes may be grouped by using the length the regularly scheduled period rather than the one-half unit as the basis for computation.

8. May a student practice during the period of ineligibility?

Answer: No, if the student does not have a 2.0 average, he or she may not practice, with one exception. The exception is that a student may begin practicing 15 practice days before the end of his/her period of ineligibility (at nine weeks and at end of semester), if it can be confirmed that the student has a 2.0 average at that time.

9. In cases where students are attempting to regain their eligibility at midsemester, what is meant by most recent grading period?

Answer: In systems utilizing a nine week marking period, the students must have a 2.0 GPA for that grading period. In systems utilizing a six week marking period, the student must have a 2.0 GPA at that grading period and continue to maintain a 2.0 GPA until midsemester (nine weeks).

- If the most recent grading period is six weeks and a student has achieved at least a 2.0 GPA, the student may begin practice and if the student still has at least a 2.0 GPA at the end of nine weeks, he/she will be eligible the tenth week.
- If the most recent grading period is nine weeks, the school may check the student's grades at six weeks and allow the student to begin practice if the student has achieved at least a 2.0 GPA. At the end of the grading period (nine weeks in this case), the student will be eligible the tenth week if the 2.0 or better has been maintained.

10. How is the GPA computed if a student fails a class in summer school?

Answer: All summer school grades will be considered in determining a student's eligibility for the following semester.

11. If a student has a 2.0 at the end of the second semester and chooses to go to summer school, can he/she lose their eligibility if they fail classes?

Answer: No. Previous semester GPA can't be lowered by summer school grades.

12. If a student fails second semester English, can it be made up in summer school?

Answer: Yes, however, when determining the GPA, both grades (second semester and summer school) must be averaged.

13. What happens if a student has an incomplete?

Answer: All incompletes will be computed as an "F" until made up. This applies to the C-Rule only and not the West Virginia Secondary School Activities Commission Scholarship Rule.

14. If a student comes from an elementary school and does not have a 2.0 average, is he or she eligible?
Answer: Yes. Any student entering the sixth grade of a middle school for the first time will be eligible. This student must have a "C" average at the end of the first semester to remain eligible.

Answer: The numerical grades must be changed to letter grades using the sending county's grading scale.
17. If a student moves in from another state and the school had a weighted grading scale, how do you compute his/her average?
Answer: A weighted grading scale cannot be used. Every grade will be converted using the four point scale and then computed.
18. Can a second semester class be wiped out or deleted after attending summer school in computing the 2.0 average?
Answer: No. All classes taken during the second semester and summer school will be used in computing the GPA.
19. May a student repeat a class for which he or she has received a low grade in summer school or during a regular semester to raise the GPA?
Answer: The criteria for retaking a course depends upon local school and/or county policy. However, the method of computation would be the same as those used for averaging summer school classes.
20. If a student has established eligibility for the semester, can he lose eligibility prior to the end of the semester?
Answer: No.
21. What happens if a student withdraws from a class?
Answer: Local policies regarding withdrawal from class must be followed. Grades recorded will be calculated as in questions 20, 21, and 22.

Failure of the principal in performing this responsibility will not prevent the Commission from enforcing said rules.

2.4. The principal has the authority to designate a member of the faculty who must supervise all interscholastic activities.

(revised 2013-14)

§127-3-7. Out-of-Season Coaching. (Revised 2016-17)

7.1. Philosophy - Students should have the opportunity to engage voluntarily in school athletic activities provided that the student is eligible, that such activities do not interfere with the students' educational development and the activities do not conflict with the principles of wholesome amateur athletics. The WVSSAC wishes to enhance that opportunity while at the same time discouraging the exploitation of students by overzealous individuals and organizations who attempt to impose an obligation or pressure on the student. There has been growing evidence of commercialism and specialization of secondary school students. Experience has revealed that such occurrences tend to divide the allegiance of students, undermine respect for coaches and officials, and encourage the type of adulation which gives students an exaggerated sense of importance of their own athletic prowess. Rather, athletic participation should be used for the pleasure and satisfaction that is derived from athletic competition in a variety of experiences.

7.2. School organized out-of-season practice or related activities shall only be permitted with principal approval during three consecutive weeks established by each county Board of Education or by the governing body of a non-public member school. These three consecutive weeks may begin on or after Monday of Week 49, and must conclude by Friday of Week 4 of the National Federation Standardized Calendar; provided, there will be no out-of-season practice or related activities during the week of July 4th as determined by the National Federation Standardized Calendar (Refer to appendix in handbook for standardize calendar). Participation by students must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. Participation by students during these weeks does not meet Practice Rule 127-2-13.4.

7.2.a. With Principal approval, each sport specific program may use six (6) "flex-days" from Monday of Week 49 through Friday of Week 48 of the next school year. Flex-days shall not be used during the first week of each high or middle school sport season. Use of any part of a day for an activity will count as a full day of activity. (A flex-day is a day, outside the regular season and outside the three (3) week practice window, when a coach may have sport-specific contact with student athletes.)

7.3. A coach or principal designee of each sport or activity may be present as an observer, lecture participant, staff member, or in any capacity at any summer camp during weeks established in rule 127-3-7.2 and 127-3-7.2.a.

7.4. A coach or surrogate shall not work with individuals in any form of drills or practice of the grade level coaching assignment and preceding grade level except during those dates specified as the season for that specific sport or as designated in subsections 7.2, 7.2.a and 7.3. (revised 2009-10)

7.5. Coaches may participate in a formal development program of the U.S. Olympic Committee (USOC) involving students of the same sport as their coaching assignments. The formal development

127CSR3

program must be under the official guidance of the USOC through the National Governing Body (NGB) of the sport. The NGB must assure in writing to the WVSSAC that coaches will receive formal orientation and that strict supervision and monitoring of coaches will ensure that no recruitment or inappropriate influence will be exerted on students.

7.6. Conditioning/Recreation Programs - Students throughout the school year who are not participating in a school's athletic program may voluntarily participate in an off season conditioning program. This program may also occur during the summer subject to county board of education or governing body approval and the following provisions:

7.6.a. Participation in the program must be open to all students enrolled in the school providing the program.

7.6.b. Participation is voluntary and is not required directly or indirectly for membership on a school team.

7.6.c. Students will provide their own clothing (sweatsuit, shoes, etc.).

7.6.d. Activities will be limited to running, weight training, and stretching exercises. Agility drills that do not involve specific skills of a given sport are permitted.

7.6.e. Specific equipment pertaining to a given sport may not be used. This includes such items as footballs, basketballs, volleyballs, wrestling mats, discus, etc.

7.6.f. In those cases where schools schedule all students into the last period of the school day, the guidelines in items (c), (d), and (e) shall apply unless the class is considered a part of the physical education program and credit is given. There shall be no teaching of sport specific skills in this case unless those same skills and course of study are taught in all physical education classes at this same time of the school year.

7.6.g. The county board of education may choose to compensate the supervisor or director.

7.7. Coaches may not promote, initiate, organize, supervise, or participate in out-of-season events involving students of the same sport as the grade level coaching assignment and preceding grade level except as specified in Rules 127 3-7.2, 127-3-7.2a and 127-3-7.3. The county board of education shall be authorized to approve a coach to organize and/or supervise a recreation program for students. However, this type assignment must be recreational in nature, include a variety of activities, and comprise no coaching or instruction of that same sport as the school coaching assignment. In addition to the above, gymnasiums or facilities opened for recreational activities must use the following guidelines:*(revised 2009-10)*

7.7.a. The gymnasium or field is open to all students for participation.

7.7.b. A variety of activities is available to students and is not limited to one sport or activity on a given day.

7.7.c. Supervisor or director must be approved by the county board of education or governing body.

7.7.d. There is no coaching or instruction in the skills and technique in any sport.

7.7.e. Comparable opportunities are provided both sexes.

7.7.f. Participation is voluntary and is not required directly or indirectly for membership on a school team.

127CSR3

7.8. The principal assumes the responsibility for making certain that there is adherence to these guidelines.

§127-3-8. Forfeit and Restitution.

8.1. A written request for investigation of an eligibility issue may be filed by a member school Principal with the Executive Director in any sport. Individual and/or team awards will not be affected if the request is filed in excess of 42 calendar days from the conclusion of the State Championship in that sport. (revised 2009-10)

8.2. When a student is declared ineligible subsequent to competing as an individual or a penalty has been imposed or action taken by the WVSSAC, said student's performance shall be stricken from the records and the points contributed to the team total deleted. The team standings will be adjusted accordingly and any awards involved shall be returned.

8.3. When a student is declared ineligible subsequent to representing the school in team competition or a penalty has been imposed by the WVSSAC, the contest(s) may be forfeited. The team standing in the final standing will be adjusted, and the team awards and the ineligible student's awards may be returned. (revised 2009-10)

8.4. If a team or student participating in an individual contest leaves the playing area in protest and fails to complete the contest, the contest is forfeited and the school principal or his designee and the violator may be required to appear before the Executive Director to indicate why additional action should not be taken.

8.5. If a coach is ejected from a contest and an assistant coach or assigned school representative is not available to continue as coach, the contest is terminated and forfeited to the opponent.

8.6. If a student is ineligible according to WVSSAC rules but is permitted to participate in interscholastic competition contrary to such WVSSAC rules but in accordance with the terms of a court restraining order or injunction and said order or injunction is subsequently vacated, stayed, reversed or finally determined by the courts that injunctive relief is/was not justified, any one of the following actions may be taken in the interest of fairness or restitution to the competing schools.

8.6.a. Require that individual or team and performance records achieved during participation by such ineligible student shall be vacated or stricken.

8.6.b. Require that team or individual victories shall be forfeited to opponent(s).

8.6.c. Require that team or individual awards earned by such individual or team be returned to the Commission.

§127-3-9. Game Officials.

9.1. All officials used in interscholastic games and contests in West Virginia must be registered with the WVSSAC, except in case of emergency subsection 9.4 may be invoked. A game officials' registration plan shall be established by the Board of Directors.

9.2. Officials for interscholastic contests shall be mutually agreed upon by the competing schools at least two weeks before the scheduled date of contest. Coaches or other persons connected with competing schools shall not officiate at the contest unless the consent of all competing schools is given.

9.3. The host school initiates the selection of game officials. It is highly recommended that the host school contract officials for all interscholastic contests. Contractual agreements are between the school and the official.

127CSR3

9.4. The Executive Director shall be empowered to authorize the use of non registered officials for athletic contests where registered officials are not available and schools threaten the cancellation of said scheduled athletic contests.

127CSR3

9.7. The Executive Director shall have the power to penalize for violations of these rules. Any official penalized under these rules shall have the right to appeal to the WVSSAC Board of Directors. The Executive Director shall inform fully a penalized official of his appeal rights.

10.3. A school may choose to compete in WVSSAC tournaments in one class above its classification providing proper notification is made to the WVSSAC prior to April 1 of a new classification year. Approval of this option will be for a four year period and will be effective for all sports sponsored by the school.

10.4. The Board of Directors may structure the WVSSAC tournament series in each sport by classification (AAA-AA-A). Each sport will be structured according to the level of interest and accommodation for tournament alignment. Prior to any change of structure of any given sport, a survey of the membership must be conducted by WVSSAC.

13.5. An athletic contest will be considered forfeited during regular season as per contracted or tournament play as per scheduled if contest cancellation is caused by a strike by teachers, support personnel, or school patrons acting as a striking body. In cases where both participating schools are on strike, it shall be considered no contest. TITLE 127 LEGISLATIVE RULE WEST VIRGINIA SECONDARY SCHOOL ACTIVITIES COMMISSION

SERIES 4 PROVISIONS GOVERNING CONDUCT

§127-4-1. General.

1.1. Scope - These rules govern conduct for active and spectator participants, coaches and all other school personnel at interscholastic athletic events.

1.2. Authority - W.Va. Constitution, Article XII, §2 and W.Va. Code §18-2-5.

1.3. Filing Date - July 10, 2015.

1.4. Effective Date - September 8, 2015.

1.5. Repeal of Former Rule - This legislative rule amends W. Va. 127CSR4, West Virginia Secondary School Activities Commission Series 4, Provisions Governing Conduct, filed July 15, 2011 and effective September 13, 2011.

§127-4-2. Sportsmanship.

2.1. Member schools are required to conduct all relations with other schools in a spirit of good sportsmanship. Acts which are prima facie evidence of failure to abide by this rule are those which are noted below and others of similar nature which violate the accepted code of good sportsmanship.

2.2. It shall be the responsibility of the home schools to take proper steps and precautions to insure that crowd and spectator control is handled reasonably at all interscholastic athletic contests including all post season athletic contests whether home or away. In addition to the spectators, attention must be directed to the safety, comfort, and security of the coaches, officials, and students. Their seating accommodations should protect them from spectator interference.

2.3. It shall be the responsibility of any team, student, coach, or attendant to remain in or a part of a contest until its normal end as provided by the National Federation Rules of that particular sport. The exception to the above would be provided by the same National Federation Rules of that particular sport. The penalty for a violation by a coach, student, or team attendant will not only involve ejection during that particular contest but shall also involve that student, coach, or team attendant not being a part of that school's team for the next regularly scheduled contest(s) or post season progression in a playoff tournament, as regulated in §127-4-3.7.3. The coach, student, or team attendant may practice in the days prior to the contest but may not dress or participate on the day of the contest. Rule 127-3-8 further explains the forfeiture consequences. (revised 2011-12)

2.4. It shall be the responsibility of a member school to use every means at its disposal to impress upon its faculty, student body, team members, coaching staff, and officials the values of sportsmanship in preparation for the conduct and management of interscholastic contests.

2.5. It shall be the responsibility of an administrator, spectator, student, or coach to follow those directions provided for in the Code for Interscholastic Athletics.

127CSR4

§127-4-3. Code for Interscholastic Athletics.

3.1. The school administrator shall:

3.1.a. Encourage and promote friendly relationships and good sportsmanship throughout the school by requiring courtesy and proper decorum at all times, by acquainting students and others in the community with ideals of good sportsmanship and by so publicizing these concepts and attitudes that all members of the school and community will understand their meaning.

3.1.b. Insist upon implicit compliance with all rules and regulations of the West Virginia Secondary School Activities Commission, hereinafter referred to in this rule as the WVSSAC.

3.1.c. Secure WV registered officials for all contests.

3.1.d. Insist upon adequate safety provisions for all activities, for both participants and spectators.

3.1.e. Approve only those activities and schedules which are educationally and physically sound for the student.

3.1.f. Encourage all to judge the success of the athletic program on the basis of the education goals and the attitude of the participants and spectators, rather than on the basis of the number of games won or lost.

3.1.g. Insist that the students exemplify the highest standards of good sportsmanship as a means of inculcating desirable spectator attitudes.

3.1.h. Provide adequate hygienic, sanitary, and attractive facilities for the dressing and housing of visiting teams and officials.

3.1.i. Review with staff the Sportsmanship Rule.

3.2. The coach shall:

3.2.a. Demonstrate high ideals, good habits, and desirable attitudes in personal behavior and demand the same standards of the students.

3.2.b. Recognize that the purpose of competition is to promote the physical, mental, social, and emotional well-being of the students and that the most important values of competition are derived from playing the game fairly.

3.2.c. Be a modest winner and a gracious loser.

3.2.d. Maintain self-control at all times, accepting adverse decisions without public display of emotion or of dissatisfaction with the officials.

3.2.e. Cooperate with the school principal in the planning, scheduling and conduct of sports activities.

3.2.f. Employ accepted educational methods in coaching, giving all students an opportunity to use and develop initiative, leadership, and judgment.

127CSR4

3.2.g. Pay close attention to the physical condition and well-being of the students refusing to jeopardize the health of an individual for the sake of improving the team's chances to win.

3.2.h. Teach students that it is better to lose fairly than win unfairly.

3.2.i. Prohibit gambling, profanity, abusive language, and similar violations of good sportsmanship.

3.2.j. Refuse to disparage an opponent, an official, or others associated with athletic activities and discourage gossip and questionable rumors concerning them.

3.2.k. Properly supervise students under their immediate care and specifically observe a coach's responsibilities in conjunction with state interscholastic contests.

3.3. The spectator shall:

3.3.a. Realize that they represent the school just as definitely as does the member of a team, and, therefore, has an obligation to be a true sportsman, encouraging through this behavior the practice of good sportsmanship by others.

3.3.b. Recognize that good sportsmanship is more important than victory by approving and applauding good team play, individual skill and outstanding examples of sportsmanship and fair play exhibited by either team.

3.3.c. Recognize that, since the primary purpose of interscholastic athletics is to promote the physical, mental, moral, social, and emotional well-being of the students through the medium of contests, victory or defeat is in reality of secondary importance.

3.3.d. Treat visiting teams and officials as guests, extending to them every courtesy.

3.3.e. Be modest in victory and gracious in defeat.

3.3.f. Respect the judgment and integrity of officials, realizing that their decisions are based upon game conditions as they observe them.

3.4. The student shall:

3.4.a. Be courteous to visiting teams and officials.

3.4.b. Participate to the limit of their ability. The true student does not give up, nor do they quarrel, cheat, bet, or grandstand.

3.4.c. Be modest when successful and be gracious in defeat. A true "sport" does not offer excuses for failures.

3.4.d. Maintain a high degree of physical fitness by observing team and training rules conscientiously.

3.4.e. Demonstrate loyalty to the school by maintaining satisfactory scholastic standing and by participating in and supporting other school activities.

3.4.f. Understand and observe the rules of the game and the standards of eligibility.

3.4.g. Respect the integrity and judgment of officials and accept their decisions without questions.

127CSR4

3.4.h. Respect the facilities of host schools and the trust entailed in being a guest.

3.4.i. The cheerleader shall always cheer positively for the team and never negatively against the opponent.

3.5. The official shall:

3.5.a. Place the welfare of the student above all other considerations.

3.5.b. Know the game rules thoroughly and give intelligent interpretations.

3.5.c. Maintain confidence and control from start to finish.

3.5.d. Work cooperatively with fellow officials and game administrators.

3.5.e. Refrain from exhibiting emotions or arguing with a student or coach. Maintain self-control under all conditions.

3.5.f. Be fair, impartial and professional.

3.5.g. Be neat and dress in the appropriate uniform.

3.5.h. Be in adequate physical condition for the demands of the particular sport.

3.5.i. Refrain from commenting upon or discussing a team, play, game situation, or fellow official.

3.5.j. So conduct the game as to enlist the cooperation of students, coaches, and spectators in the interest of good sportsmanship.

3.6. *Protection, Facilities, and Assistance.* The home team is expected to furnish supervision. Outdoor facilities or playing facilities should be separated from the spectators by a restraining barrier (fence, wire, rope, etc.). Officials should be provided with a parking space, private dressing facilities not accessible to unauthorized personnel, and should be paid no later than half-time of game. The use of trained, competent, adult "assistant officials," i.e., scorers, timers, chain and down marker crews, etc., is strongly recommended.

3.7. *Statement of Policy.* Insofar as unsportsmanlike actions by students, school administrators, officials, coaches, faculty members, and spectators are concerned, the identical items under the Sportsmanship Rule along with the following guides will be referred to by the WVSSAC:

3.7.a. The school whose coach behaves in a manner likely to have adverse influence on the attitudes of students or spectators may be provided with the choice of taking disciplinary action against that coach or having the entire school disciplined by the WVSSAC.

3.7.b. Any student who in protest lays hands or attempts to lay hands upon an official may be declared ineligible by the principal or by the WVSSAC for up to one year. Any student who strikes an opponent, coach, or a spectator during or following an athletic event may be declared ineligible by the principal or the WVSSAC for a specified period of time up to one year, depending on the seriousness of the act.

3.7.c. Any coach, student, or bench personnel ejected by an official will be suspended for the remainder of the game, match, meet or contest. The coach, student, or bench personnel ejected by an official will also be suspended in additional contest(s); the suspension will be assessed based upon ten (10)

127CSR4

percent of the allowed regular season contests or post season progression in a playoff tournament for each sport. Any tenth of a percentage from .1 to .4 will be a suspension equal to the whole number of the percent. Any tenth from .5 to .9 will be an additional contest added to the whole number. The suspension will include the number of indicated contests in that sport and at that level and all other sport contests in the interim at any level. A second ejection will result in the doubling of the suspension assessed for the first ejection. If an individual is ejected for a third time during the same sport season, the individual will be suspended from participating or coaching for 365 calendar days from the date of ejection. In accordance with rule 127-3-15.3, an individual ejected by an official may not appeal that ejection, or any subsequent suspension that is a consequence of the ejection by an official. (Revised 2012-13; 2015-16)

3.7.c.1. Any coach, player or bench personnel who has been ejected shall not be permitted to attend any contest(s) during said suspension. He/she shall not be affiliated with the team in any capacity. This would include but not be limited to transportation to or from the contest, meeting with the team before, during or after said contest. He/she is not permitted to be in sight or sound of said contest venue. Regular practice or team meetings not affiliated with a contest are permitted. (revised 2007-08)

3.7.c.2. If suspensions are imposed to a student or bench personnel at the end of the sport season and no contest remains, the suspension is carried over to that particular sport until the next school year. In the case of a senior student, the penalty will continue to the next WVSSAC sponsored sport.

3.7.c.3. Any coach suspension that cannot be enforced during the sport season in which the ejection occurs will be enforced at the beginning of the next season of that same sport.

3.7.d. In case of spectators physically molesting an official, administrator, coach, or student, the school may be given one of two options: 1) file charges against the offender (s) or 2) accept discipline from the WVSSAC. Any person found guilty of W.Va. Code §61-2-15(a) Assault, Battery on Athletic Officials, while these individuals are working or as a result of working an athletic contest, shall be banned from all WVSSAC athletic events for a minimum of 365 days from the date of being found guilty. The school filing charges shall notify the WVSSAC of the incident and outcome of any legal action.

3.7.e. The school that does not lend complete cooperation in the host school's effort to promote the spirit of good sportsmanship may be disciplined by the WVSSAC.

3.7.f. A coach may be considered as committing unsportsmanlike conduct if they make degrading remarks about officials during or after a game either on the field of play, from the bench, or through any public news media, argues with officials, or goes through motions indicating dislike for a decision, protests the decision and actions of officials pertaining to the game during and after the contest, or detains the official on the field of play following a game to request a ruling or explanation of some phase of the game. If a coach feels he/she has a legitimate criticism of a penalty call or a request for a rule interpretation, such criticism or request should be made in the privacy of the coach's office or the official's quarters and should be made in a courteous manner.

3.7.g. A student or team attendant shall not leave the bench area, team box area, or their designated off-field area during a game or contest other than during that time permitted by game or contest rules. A coach shall not leave the bench area, team box area, or the designated off-field area during a game or contest other than during that time permitted by game or contest rules unless a student altercation is taking place and the official requests assistance. Violation of this rule shall cause the coach, student, or team attendant to be immediately ejected from the contest, team penalized according to game or contest rules and that coach, student, or team attendant will not be eligible to participate in the next contest as outlined in §127-4-2.3.

127CSR4

3.8. Procedure. Unsportsmanship action must be reported in detail to the WVSSAC. A copy of the complaint must also be filed with the principal of the school involved. Each principal involved shall report such information or answers to the report as they deem appropriate. Upon receipt of all reports, the Executive Director and/or the Board of Directors of the WVSSAC shall investigate and adjudicate such reports in accordance with the powers afforded in §127-1-8.6 and 8.7 and §127-1-12.2 and 12.3 of the Constitution. Penalties up to and including suspension of member schools may be made in accordance with §127-4.

3.9. The following defines the different types of disciplinary action which may be assessed for violation of any WVSSAC rule by a member school, administrator, coach, athlete or contest official: (revised 2007-08)

3.9.a. *Warning.* A warning may be given by the Executive Director or Assistant Executive Director. It is official notice that an inexcusable, unethical, or unsportsmanship action has occurred, is a matter of record, and that such an occurrence must not be repeated.

3.9.b. *Probation.* Probation is a much more severe type of warning and may be expressed two ways: 1) a school, coach, student, or team attendant on probation is told that further violations will lead to a fine or suspension; and/or 2) a school on probation is on conditional WVSSAC membership but may engage in its regular schedule, sanctioned events, and all WVSSAC tournament play, providing a program is filed with the Executive Director of the WVSSAC indicating measures to be taken to alleviate this problem which caused the school to be placed on probation.

3.9.c. *Suspension.* A school/coach suspended from the WVSSAC may not meet in interscholastic competition of any kind with a WVSSAC member school or a school that is a member of another state associated with the National Federation of State High School Associations.

3.9.d. *Fine.* A fine may be levied by the Executive Director.

3.9.e. Each of these sanctions (Warning, Probation, suspension and Fine) may be imposed or levied separately, or in a combination of one or more sanctions.

3.10 *Appeals.* All cases involving disciplinary action against member schools, coaches, students, team attendants, or officials may be protested in accordance with §127-6. However, disciplinary action imposed by an official, including disciplinary action that is a consequence of a decision by an official, such as a suspension for an additional game or games as a consequence of an ejection, is governed by rule 127-3-15.3 and is not subject to appeal.

3.11 Review of Ejections. Disciplinary action imposed by a contest official, including disciplinary action that results in a suspension for an additional game or games as a consequence of an ejection, is not subject to appeal pursuant to Rule §127-6. However, if the individual ejected believes the ejection was improper, he/she may request a review of the ejection by his/her principal. If the principal believes there is merit in the requested review, the principal shall complete and submit the WVSSAC Ejection Review Form within 24 hours or the next business day of the ejection to the Executive Director of the WVSSAC. If a review is properly requested, the WVSSAC will review the officials' special report, the WVSSAC Ejection Review Form, and such other information as the WVSSAC deems appropriate. Upon review, the WVSSAC Executive Director or the designated Assistant Director will either sustain the ejection and any consequent suspension(s), or will determine the ejection was improper and void any consequent suspension(s). A decision by the WVSSAC upon reviewing an ejection is not subject to appeal pursuant to Rule §127-6. (Revised 2015-16)

5.3. The Executive Director, or any other interested party, may file an answer, but failure to file an answer will be interpreted as a denial of the allegations contained in the petition. If they elect to file an answer, it shall contain the following:

127CSR6

5.3.1. Allegation of facts with denials, additional facts or other pertinent data.

5.3.2. A statement of other applicable rules and statutes.

5.3.3. A statement of objections, if any, to the parties or other portion of the petition.

5.3.4. Designation of other interested parties.

5.4. All answers shall be filed with the Board of Directors within five (5) days after receipt of the petition for appeal.

5.5. In the event that the parties are unable to dispose of the issues without a hearing or if the Board of Directors elects to proceed without a pre-hearing conference, the Executive Director shall notify all parties in writing of the date, time and place set for a hearing on the appeal. The notice shall be given at least seven (7) days in advance of the time set for the hearing and shall contain a short and plain statement of the issues involved. Said hearing shall be conducted in conjunction with a regularly scheduled meeting of the Board of Directors. In this event, costs for such a meeting shall not be taxed against the petitioner(s).

5.6. The matter may be heard at a special meeting of the Board of Directors provided the petitioner(s) agrees in writing to pay all costs incidental to such meeting. Such costs shall not exceed the actual expenses incurred. The Board of Directors, at its discretion, may require the petitioner(s) to post adequate security for such costs with the Executive Director.

5.7. If the petitioner(s)' appeal should prevail at the special meeting of the Board of Directors or at a subsequent hearing before the Review Board, the security deposit or the posted costs shall be returned to the petitioner(s).

5.8. All parties to any appeal may represent themselves or be represented by an attorney licensed to practice law in the State of West Virginia.

5.9. Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. Objections to evidentiary offers shall be noted in the record. Any party to any such hearings may vouch the record as to any excluded testimony or other evidence.

5.10. All evidence, including papers, records, Commission staff memoranda, and documents, in the possession of the Commission, of which it desires to avail itself, shall be offered and made a part of the record in the case. Documentary evidence may be received in the form of copies of excerpts or by incorporation by reference.

5.11. Every party shall have the right of cross-examination of witnesses who testify, and shall have the right to submit rebuttal evidence.

5.12. All of the testimony and evidence of any such hearing shall be reported by stenographic notes and characters or by mechanical means. All rulings on the admissibility of testimony and evidence shall also be reported. The Board of Directors shall prepare an official record, which shall include reported testimony and exhibits in each contested case, and all Commission staff memoranda and data used in consideration of the case, but it shall not be necessary to transcribe the reported testimony unless required for purpose of rehearing or review. Informal disposition may also be made of any contested case by stipulation, agreed settlement, consent order or default.

§127-6-6. Review Board.

6.1. Any decision of the Board of Directors involving penalty, protest or interpretation of the rules and regulations of this Commission may be appealed to the Review Board in the manner hereinafter described. Said appeal may be made by any member of the aggrieved party which is directly affected by the decision of the Board of Directors and aggrieved by such decision of the Board of Directors.

6.2. Appeals must be filed with the State Superintendent of Schools of West Virginia within fifteen days after any final decision of the Board of Directors of the WVSSAC.

6.3. Upon receipt of said appeal, the State Superintendent of Schools shall immediately notify each member of the Review Board of said appeal and the Chairman of said Review Board who shall forthwith set a date, time and place for hearing and shall immediately notify all interested parties, in writing, of the same.

6.4. The filing of any appeal shall not stay enforcement nor act to supersede the prior ruling or decision of the Board of Directors. However, pending the hearing on any appeal, at its discretion, the Board of Directors may grant a stay of enforcement upon such terms as it deems proper.

6.5. Proceedings for review shall be instituted by filing a petition, in quintuplicate, with the State Superintendent of Schools within fifteen days after the date upon which such party received notice of the final order or decision of the Board of Directors. A copy of the petition shall be served upon the WVSSAC or its Executive Director and all other parties of record by registered or certified mail. The petition shall state whether the appeal is taken on questions of law or questions of fact, or both. No appeal bond shall be required to effect any such appeal.

6.6. Within fifteen days after receipt of a copy of the petition by the WVSSAC or its Executive Director, or within such further time as the Review Board may allow, said Commission or said Executive Director shall transmit to such Review Board, the original or a certified copy of the entire record of the proceedings under review, including a transcript of all testimony and all papers, motions, documents, evidence and records as were before the said Commission, all Commission staff memoranda submitted in connection with the case, and a statement of matters officially noted; but, by stipulation of all parties to the review proceedings, the record may be shortened. The expense of preparing such record shall be taxed as a part of the costs of the appeal. The appellant shall provide security for costs involved. Upon demand by any party to the appeal, said Commission shall furnish, at the cost of the party requesting same, a copy of such record. In the event the complete record is not filed with the Review Board within the time provided for in this section, the appellant may apply to the Review Board to have the case docketed, and the Review Board shall order such record filed. Failure of the said Commission to file the record within the time stipulated shall automatically stay the enforcement of the order or decision of the Board of Directors, in that particular case, and such stay shall continue until such record is filed.

6.7. Appeals taken on questions of law, fact or both, shall be heard upon assignment of error filed in the cause or set out in the briefs of the appellant. Errors not argued by brief may be disregarded, but the Review Board may consider and decide errors which are not assigned or argued.

6.8. The review shall be conducted by the Review Board without a jury and shall be upon the records made before the Commission, except that in cases of alleged irregularities in procedure before the Commission not shown in the record, testimony thereon may be taken before the Review Board. The Review Board may hear oral arguments and require written briefs.

127CSR6

6.9. After hearing all evidence and arguments, the Review Board shall render a decision in one of three forms: (1) sustaining the ruling of the Board of Directors; (2) reversing the ruling of the Board of Directors; or (3) remanding the matter to the Board of Directors for further action. The Board of Review shall reverse, vacate or modify the order or decision of the Board of Directors if the substantial rights of the petitioner or petitioners have been prejudiced because of the administrative findings, inferences, conclusions, decisions or order are (1) in violation of constitutional or statutory provisions; or (2) in excess of the statutory authority or jurisdiction of the Commission; or (3) made upon unlawful procedures; or (4) affected by other error of law; or (5) clearly wrong in view of the reliable probative and substantial evidence on the whole record; or (6) arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

6.10. Four members, present and voting, shall constitute a quorum for the Review Board to transact all business.

6.11. A majority vote of those members of the Review Board in attendance at any hearing shall be required to render a decision. Such decision shall be final and binding on all parties concerned.

6.12. Within thirty (30) days from the date of any hearing, the Review Board shall make a written report of its decision, stating briefly therein its reasons for such a decision. Copies of the report shall be mailed to the State Superintendent of Schools, the Executive Director of the WVSSAC and, upon written request, to other interested parties.

6.13. Nothing in this Article shall be construed to limit the Board of Directors in performing its regular duties as provided in the Constitution and Bylaws of the WVSSAC; in making investigations and initiating proceedings against any member of said Commission; in making interpretations of the rules of eligibility of student athletes, cheerleaders or band members; or in imposing penalties for the violations of any rules, regulations, or Bylaws of said Commission.

6.14. The Constitution §127-1-8.5 and Rules §127-6-2, §127-6-3.2 and §127-6-4.4 which infer or state that decisions of the Board of Directors are final, are hereby modified only to the extent that such final ruling of the Board of Directors may be appealed within the time limit in the manner prescribed elsewhere in this Article and affirmed, reversed or remanded by the Board of Review.
