9. West Virginia high school coaches complete coaches rating of officials on line.
10. Uniform Clarification: The WVSSAC has specified that the official's uniform will consist of a golf-type all white, gray, or bright blue short sleeve shirt with a collar. The shirt must have 2 to 3 buttons at the neck and the material must be a non-see-through material. The uniform further consists of black slacks or black shorts (of mid-thigh or longer length), black shoes with black socks or white shoes with white socks. All officials in a given contest must be uniform in their dress.
11. Official's Tournament Nomination is due October 19, 2021, for Class I or II officials. To be considered for a state tournament assignment. Must be submitted on line only-see Index.
- 12. Please notify this office of any address change.**
13. Officials are reminded that officials' contracts are recommended for matches. The contracts, if used, are between the school and the official.
14. Middle School net height is 7 feet. 9th grade net height is 7' 4 1/8" feet.
15. **General Information:**

The warm-up time for all levels of competition is 2-6-6 for a total of 14 minutes. except for state tournament which is 6-6-6. The first two minutes both teams have access to their side of the court. At the end of two minutes a horn or whistle will sound and the team that won the coin toss will take the floor for six minutes. If a team wants to practice serving it must be done during these six minutes. Both teams will no longer practice serving at the same time. At the end of the first six minute warm-up a horn or whistle will sound and the opposing team will have the floor for six minutes. The change in serving was for safety reasons and to try and make it a more organized drill. The amount of warm-up time has not changed, just the serving procedures.

It is also important for coaches to know that officials do not dictate what a team does during its warm-up time. That is up to the coach as to what is done during this time.

16. Points of Emphasis:
 - A. Officials' Apparel: All officials must be properly dressed. All shirts are required to be tucked in.
 - B. Special Reports are to be issued if players or coaches do not adhere to uniform/attire regulations. Please review The Interscholastic. - New rules included.
 - C. Coaches' Committee Requests:
 1. Officials should monitor behavior, particularly for safety and taunting concerns, during the warm-up period.
 2. Local Boards are asked not to send two rookie officials to a site. Local Boards are encouraged to utilize a mentor program whereby a veteran official is assigned with each rookie official.
 3. If officials are assigned by the local board or an Assigning Commissioner, the school athletic administrator or principal should receive the officials assignments prior to the first allowable play date.
 4. Officials need to consistently enforce all rules regardless of the level of play. Concern was expressed that middle school matches were not being appropriately officiated.

- D. Player Uniform - All players must come on the court appropriately dressed. Player's Shirts - If shirts are designed to be tucked in they must be. If player refuses to tuck in shirt, treat as unsportsmanlike conduct. If coach fails to require players to abide by the regulation, the result is forfeiture. **Uniforms are to be worn as designed. Players are not allowed to wear midriff shirts. Schools are permitted during the month of October to wear pink uniforms. The uniform must meet all NFHS uniform requirements.**
Player Actions: When players enter the gymnasium/playing area they must be properly dressed. **At no time can a uniform be removed while in the playing area or spectator area. Removal of uniforms must take place in a designated area.** The same rule applies for putting on uniforms.
- E. Contact Lenses - Coaches do NOT need to record this in the score book. If a lens is lost, it is an official's time-out. If the lens is not recovered in the allowed time, then coaches must follow substitution procedures. Give players time to find contact. If unable to find, coach may substitute or player may re-enter.
- F. No jewelry is permitted. An athlete who has a medical note from a Doctor must submit a request to the WVSSAC to leave the daith piercing in during play. If it has been approved by this office, the coach must carry that waiver to each match to present to the official. The daith piercing must be covered by a bandaid. If they do not have a letter of approval from this office, then the athlete must take it out or sit out - NO EXCEPTIONS.
- G. Flags are optional for regular season, but will be used in post season play.
- H. The official ball is the Spalding TF-VB5 navy and white panel ball. It will be used in all tournament play. Schools will be permitted to use any NFHS approved ball during regular season.
- I. Seeding - The state tournament will be seeded. Please see the Interscholastic for more information.

SCHOOLS: The **Head Coach** shall be **required** to attend any sports rules clinics which are sponsored by this Commission in his/her coaching assignment. Schools failing to have a head coaching position filled at the time of the clinic will be required to have a school representative present at the rules clinic. An individual can only represent one school unless he/she is head coach at both schools. In a 9-12 school, both the varsity and 9th grade coach are required to attend. Failure to have a representative at one of the above clinics will result in a \$50.00 fine.

The clinic attendance requirement will not be granted if the coach or representative is late in excess of 10 minutes.

4-1-6a, b (NEW): Allows players to wear head coverings for religious reasons that fit securely and are made of non-abrasive or soft materials while still requiring head coverings worn for medical reasons to be approved by the state association.

Rationale: Eliminates the need for authorization from the state association for the wearing of religious headwear without data to support an increased risk while maintaining the requirement for approval of head coverings worn for medical reasons – allowing the state association to review for the purposes of risk minimization.

5-3-1, 5-3-1 NOTES: Allows state associations to approve of gray and/or bright blue (cyan) in addition to the white short or long-sleeved polo-style shirts while maintaining that officials must dress in like colors. Simplifies the accommodations for varying climate conditions within the competition facility.

Rationale: Provides state associations with additional officials' uniform options while aligning with trends in the game.

7-1-4 PENALTIES, 9-9-1b (NEW): Eliminates the loss of rally/point penalty for failure to submit the lineup no later than two minutes prior to the end of the timed prematch warmup and one minute prior to the end of the timed interval between sets. The penalty was changed to an unnecessary delay (administrative yellow card) with the escalation of a second unnecessary delay (administrative red card) if not submitted by the end of the timed prematch warmup or interval.

Rationale: Aligns the penalty with the late roster and lessens the severity of the penalty for a late lineup.

2021-22 VOLLEYBALL MAJOR EDITORIAL CHANGES

State Association Adoption Chart (NEW): Clarifies and organizes all rules that allow for state association adoption.

2021-22 Volleyball Editorial Changes

2021-22 Volleyball Points of Emphasis

2. Coach and Official Communication
3. State Association Adoptions – Location of Team Bench
4. Addressing Uniform Concerns

The Volleyball Line Up Card

Roster and Line-Up (Rule 7-1)

- 10 minutes prior to the end of pre-match timed warm-up, a coach from each team shall submit in writing to the scorer an accurate roster giving names and uniform numbers of all players for the match. This roster must be entered into the scorebook and remain at the score table.
- 2 minutes prior to the end of pre-match timed warm-up, a coach from each team shall submit to the scorer an accurate, written line-up of the uniform numbers for the six (6) starting players in serve order. This lineup is to remain at the scoretable.
- Check for a Libero player – if none marked, ask coach (preventive officiating)
- The R2 will verify that the line-up has been entered correctly on the official score sheet
- Within 2 minutes following each game, a coach from each team shall submit a written, accurate numeric lineup to the scorer
- The written roster and current lineup shall remain at the officials table throughout each set and match

Lineup Card (See NFHS Volleyball Case Book)

The lineup card is a required tool to assist the R2 in carrying out their duties. The R2 has the sole responsibility to record both teams in starting floor position on his/her lineup card. The lineups submitted to the scorer from each coach are in serve order.

The card and pencil/marker are in their possession during the game. The card will provide the following:

***Correct serving order**

***Captains**

***Who is serving**

***Player identification**

***Substitutions**

***Time-Outs**

The style/form for a lineup card is up to the official – whatever you can make sense of and what is effective for you.

**ALL REGISTERED VOLLEYBALL OFFICIALS ARE REQUIRED TO USE A LINE-UP CARD
WHEN SERVING AS THE R2 IN A MATCH.**

127-4-3 Code for Interscholastic Athletics

3.7. *Statement of Policy.* Insofar as unsportsmanlike actions by students, school administrators, officials, coaches, faculty members, and spectators are concerned, the identical items under the Sportsmanship Rule along with the following guides will be referred to by the WVSSAC:

3.7.a. The school whose coach behaves in a manner likely to have adverse influence on the attitudes of students or spectators may be provided with the choice of taking disciplinary action against that coach or having the entire school disciplined by the WVSSAC.

3.7.b. Any student who in protest lays hands or attempts to lay hands upon an official may be declared ineligible by the principal or by the WVSSAC for up to one year. Any student who strikes an opponent, coach, or a spectator during or following an athletic event may be declared ineligible by the principal or the WVSSAC for a specified period of time up to one year, depending on the seriousness of the act.

3.7.c. Any coach, student, or bench personnel ejected by an official will be suspended for the remainder of the game, match, meet or contest. The coach, student, or bench personnel ejected by an official will also be suspended in additional contest(s): the suspension will be assessed based upon ten (10) percent of the allowed regular season contests or post season progression in a playoff tournament for each sport. Any tenth of a percentage from .1 to .4 will be a suspension equal to the whole number of the percent. Any tenth from .5 to .9 will be an additional contest added to the whole number. The suspension will include the number of indicated contests in that sport and at that level and all other sport contests in the interim at any level. A second ejection will result in the doubling of the suspension assessed for the first ejection. If an individual is ejected for a third time during the same sport season, the individual will be suspended from participating or coaching for 365 calendar days from the date of ejection. In accordance with rule 127-3-15.3, an individual ejected by an official may not appeal that ejection, or any subsequent suspension that is a consequence of the ejection by an official..

3.7.c.1. Any coach, player or bench personnel who has been ejected shall not be permitted to attend any contest(s) during said suspension. He/she shall not be affiliated with the team in any capacity. This would include but not be limited to transportation to or from the contest, meeting with the team before, during or after said contest. He/she is not permitted to be in sight or sound of said contest venue. Regular practice or team meetings not affiliated with a contest are permitted.

3.7.c.2. If suspensions are imposed to a student or bench personnel at the end of the sport season and no contest remains, the suspension is carried over to that particular sport until the next school year. In the case of a senior student, the penalty will continue to the next WVSSAC sponsored sport.

3.7.c.3. Any coach suspension that cannot be enforced during the sport season in which the ejection occurs will be enforced at the beginning of the next season of that same sport.

3.7.d. In case of spectators physically molesting an official, administrator, coach, or student, the school may be given one of two options: 1) file charges against the offender (s) or 2) accept discipline from the WVSSAC. Any person found guilty of W.Va. Code §61-2-15(a) Assault, Battery on Athletic Officials, while these individuals are working or as a result of working an athletic contest, shall be banned from all WVSSAC athletic events for a minimum of 365 days from the date of being found guilty. The school filing charges shall notify the WVSSAC of the incident and outcome of any legal action.

3.7.e. The school that does not lend complete cooperation in the host school's effort to promote the spirit of good sportsmanship may be disciplined by the WVSSAC.

3.7.f. A coach may be considered as committing unsportsmanlike conduct if they make degrading remarks about officials during or after a game either on the field of play, from the bench, or through any public news media, argues with officials, or goes through motions indicating dislike for a decision, protests the decision and actions of officials pertaining to the game during and after the contest, or detains the official on the field of play following a game to request a ruling or explanation of some phase of the game. If a coach feels he/she has a legitimate criticism of a penalty call or a request for a rule interpretation, such criticism or request should be made in the privacy of the coach's office or the official's quarters and should be made in a courteous manner.

3.7.g. A student or team attendant shall not leave the bench area, team box area, or their designated off-field area during a game or contest other than during that time permitted by game or contest rules. A coach shall not leave the bench area, team box area, or the designated off-field area during a game or contest other than during that time permitted by game or contest rules unless a student altercation is taking place and the official requests assistance. Violation of this rule shall cause the coach, student, or team attendant to be immediately ejected from the contest, team penalized according to game or contest rules and that coach, student, or team attendant will not be eligible to participate in the next contest as outlined in §127-4-2.3.

3.8. Procedure. Unsportsmanship action must be reported in detail to the WVSSAC. A copy of the complaint must also be filed with the principal of the school involved. Each principal involved shall report such information or answers to the report as they deem appropriate. Upon receipt of all reports, the Executive Director and/or the Board of Directors of the WVSSAC shall investigate and adjudicate such reports in accordance with the powers afforded in §127-1-8.6 and 8.7 and §127-1-12.2 and 12.3 of the Constitution. Penalties up to and including suspension of member schools may be made in accordance with §127-4.

3.9. The following defines the different types of disciplinary action which may be assessed for violation of any WVSSAC rule by a member school, administrator, coach, athlete or contest official:

3.9.a. *Warning.* A warning may be given by the Executive Director or Assistant Executive Director. It is official notice that an inexcusable, unethical, or unsportsmanship action has occurred, is a matter of record, and that such an occurrence must not be repeated.

3.9.b. *Probation.* Probation is a much more severe type of warning and may be expressed two ways: 1) a school, coach, student, or team attendant on probation is told that further violations will lead to a fine or suspension; and/or 2) a school on probation is on conditional WVSSAC membership but may engage in its regular schedule, sanctioned events, and all WVSSAC tournament play, providing a program is filed with the Executive Director of the WVSSAC indicating measures to be taken to alleviate this problem which caused the school to be placed on probation.

3.9.c. *Suspension.* A school/coach suspended from the WVSSAC may not meet in interscholastic competition of any kind with a WVSSAC member school or a school that is a member of another state associated with the National Federation of State High School Associations.

3.9.d. *Fine.* A fine may be levied by the Executive Director.

3.9.e. Each of these sanctions (Warning, Probation, suspension and Fine) may be imposed or levied separately, or in a combination of one or more sanctions.

3.10 *Appeals.* All cases involving disciplinary action against member schools, coaches, students, team attendants, or officials may be protested in accordance with §127-6. However, disciplinary action imposed by an official, including disciplinary action that is a consequence of a decision by an official, such as a suspension for an additional game or games as a consequence of an ejection, is governed by rule 127-3-15.3 and is not subject to appeal.

3.11 *Review of Ejections.* Disciplinary action imposed by a contest official, including disciplinary action that results in a suspension for an additional game or games as a consequence of an ejection, is not subject to appeal pursuant to Rule §127-6. However, if the individual ejected believes the ejection was improper, he/she may request a review of the ejection by his/her principal. If the principal believes there is merit in the requested review, the principal shall complete and submit the WVSSAC Ejection Review Form within 24 hours or the next business day of the ejection to the Executive Director of the WVSSAC. If a review is properly requested, the WVSSAC will review the officials' special report, the WVSSAC Ejection Review Form, and such other information as the WVSSAC deems appropriate. Upon review, the WVSSAC Executive Director or the designated Assistant Director will either sustain the ejection and any consequent suspension(s), or will determine the ejection was improper and void any consequent suspension(s). A decision by the WVSSAC upon reviewing an ejection is not subject to appeal pursuant to Rule §127-6.
