GUIDELINES ON HANDLING PRACTICES AND CONTESTS DURING LIGHTNING OR THUNDER DISTURBANCES

National Federation of State High School Associations (NFHS)
Sports Medicine Advisory Committee (SMAC)

These guidelines provide a default policy to those responsible or sharing duties for making decisions concerning the suspension and restarting of practices and contests based on the presence of lightning or thunder. The preferred sources from which to request such a policy for your facility would include your state high school activities association and the nearest office of the National Weather Service.

PROACTIVE PLANNING

1. Assign staff to monitor local weather conditions before and during practices and contests.
 2. Develop an evacuation plan, including identification of appropriate nearby safer areas and determine the amount of time needed to get everyone to a designated safer area:
 - a. A designated safer place is a substantial building with plumbing and wiring where people live or work, such as a school, gymnasium or library. An alternate safer place from the threat of lightning is a fully enclosed (not convertible or soft top) metal car or school bus.
 3. Develop criteria for suspension and resumption of play:
 - a. When thunder is heard or lightning is seen*, the leading edge of the thunderstorm is close enough to strike your location with lightning. Suspend play for at least 30 minutes and vacate the outdoor activity to the previously designated safer location immediately.
 - b. 30-minute rule. Once play has been suspended, wait at least 30 minutes after the last thunder is heard or lightning is witnessed* prior to resuming play.
 - c. Any subsequent thunder or lightning* after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.
 - d. When independently validated lightning-detection devices or mobile phone apps are available, this technology could be used to assist in making a decision to suspend play if a lightning strike is noted to be within 10 miles of the event location. However, you should never depend on the reliability of these devices and, thus, hearing thunder or seeing lightning* should always take precedence over information from a mobile app or lightning-detection device.
- * – At night, under certain atmospheric conditions, lightning flashes may be seen from distant storms. In these cases, it may be safe to continue an event. If no thunder can be heard and the flashes are low on the horizon, the storm may not pose a threat. Independently verified lightning detection information would help eliminate any uncertainty.
4. Review the lightning safety policy annually with all administrators, coaches and game personnel and train all personnel.
 5. Inform student-athletes and their parents of the lightning policy at start of the season.

6. **Participation of Females in Golf** – The WVSSAC encourages the participation of female athletes. In an effort to encourage and increase female participation, the Golf Coaches' Committee recommended and the Board of Directors unanimously approved the use of a forward tee beginning with the 1998 season. Refer to [Girls' Tee](#) in enclosed Golf Program from [The Interscholastic](#).
7. **Maximum Team Contests:** A high school golf team will be permitted to play no more than 18 varsity matches, 18 JV matches, and 18 girls JV matches. A male or female participant may play no more than a total of 18 matches exclusive of regional and state tournament contests between the varsity, JV, and girl's JV matches. Girls who participate on school teams who do not have a minimum of three female participants may participate as individuals in girls varsity matches as long as the total number of matches they play between Varsity, JV and Girls JV does not exceed 18. Each interscholastic contest counts as one, whether it is 9 or 18 holes, and regardless of number of opponents.

Please note that coaches are to prepare a document that defines tee locations on the course on which competition will be held. The document shall be shared with coaches of visiting teams.

8. The WVSSAC actively promotes good sportsmanship in all of our sport programs. We encourage you to promote good sportsmanship by informing parents and athletes of the importance of supporting this concept. Please review with your team sportsmanship regulation in the WVSSAC Rules & Regulations Handbook and etiquette as found in the USGA Rules of Golf. Lead by example.

Rule 127-4-3.7 Code for Interscholastic Athletes – Coaches are hereby notified to carefully review this rule with special emphasis on **3.7**. The first high school golf ejection would result in a two (2) match suspension; the first junior high/middle school golf ejection would result in a one (1) match suspension.

9. **Head Trauma Guidelines** – Refer to the approved Return to Play/Concussion Protocol. RTP refers to return to play and return to practice. The appropriate health care professional will determine when a concussed athlete may return to participation.

10. **Use of Performance Enhancing Substances by Athletes** – It is the philosophy of the National Federation and the WVSSAC that students be encouraged and supported in their efforts to develop and maintain a healthy lifestyle. In promotion of safety and healthy lifestyles, the WVSSAC Sports Medicine Committee requests that coaches assume the responsibility of informing athletes that the uses of such substances should be discontinued especially during the times when dehydration may occur due to potential life threatening consequences. The committee further encourages all athletic trainers to support coaches in promoting healthy lifestyles.

11. **Injury/Participation Procedure at WVSSAC Championship Events** – Medical personnel (athletic trainers) will have the jurisdiction concerning the return of a player to competition after an injury. If a parent refuses to follow the determination of the authorized person, a release form must be signed. Athletic trainers will receive additional information at Rules Clinics.

WVSSAC RULES OF GOLF QUESTIONS / ANSWERS

1) What are the two colors of Penalty Areas? And how many options do you have with each?

Answer: Red and Yellow.

Options for (Yellow):

- 1: Play the golf ball as it lies
- 2: Proceed under stroke and distance (return to where last stroke was made and play from a spot as near as possible, if it's a tee shot player may re-tee anywhere in Teeing area, if shot was played anywhere else player will drop the ball)
- 3: Drop a ball behind the penalty area keeping the point at which the original ball last crossed the margin of the penalty area directly between the hole and the spot on which the ball is dropped with no limit to how far behind the penalty area the ball may be dropped

Options for (Red)

- 1-3: Same options as Yellow
- 4: Drop a ball outside the lateral penalty area within two club-lengths of and not nearer the hole from the point where the ball last crossed the margin

2) When a ball is lost or out of bounds what is the procedure for the player?

Answer: The player must proceed under stroke and distance.

3) How long do you have to find a golf ball before it becomes lost?

Answer: 3 Minutes

4) What is a Provisional ball?

Answer: A ball that is played under rule 18.3 for a ball that may be lost outside a penalty area or out of bounds. (This will help speed up play greatly)

5) What are the two different kinds of Obstructions? How do you take relief with each?

Answer: Movable and Immovable, they are anything artificial including artificial surfaces and sides of roads and paths, except anything that defines Out of Bounds, any part of an immovable obstruction that lies out of bounds, and any construction declared to be an integral part of the course.

- 1: An obstruction is "movable" if it may be moved without unreasonable effort without unduly delaying play and without causing damage examples include (Water bottle, trash, another golf bag, etc..), otherwise it is considered "Immovable" examples include (Cart paths, Ball washers, etc..)

6) Are players allowed to give advice in a stroke play competition to fellow competitors or teammates?

Answer: No, Rule 24.4 states players cannot give or ask for advice from any fellow competitor in a stroke play competition, even if they are on the same team because the players may be teammates but they are not "partners"

7) If a player plays a Wrong Ball, what is penalty and procedure to correct the mistake?

Answer: 2 Shot Penalty, player must correct the error before teeing off the next hole or they are disqualified. Strokes made at a wrong ball DO NOT count towards the players score

Answer: The player will Re-Drop, if it leaves the relief area a 2nd time the player will place the ball on the spot where the 2nd drop first struck the ground.

9) When dropping a golf ball, how must you drop the ball without incurring a penalty?

10) If a player deems their ball is un-playable what are their options and procedure?

Answer: A player may deem their ball un-playable anywhere on the golf course that is not in a Penalty Area. A one stroke penalty is incurred, below are relief options,

3.7.d. In case of spectators physically molesting an official, administrator, coach, or student, the school may be given one of two options: 1) file charges against the offender (s) or 2) accept discipline from the WVSSAC. A student or team attendant shall not leave the bench area, team box area, or their designated off-field area during a game or contest other than during that time permitted by game or contest rules. A coach shall not leave the bench area, team box area, or the designated off-field area during a game or contest other than during that time permitted by game or contest rules unless a student altercation is taking place and the official requests assistance. Violation of this rule shall cause the coach, student, or team attendant to be immediately ejected from the contest, team penalized according to game or contest rules and that coach, student, or team attendant will not be eligible to participate in the next contest as outlined in §127-4-2.3.

3.8. *Procedure.* Unsportsmanship action must be reported in detail to the WVSSAC. A copy of the complaint must also be filed with the principal of the school involved. Each principal involved shall report such information or answers to the report as they deem appropriate. Upon receipt of all reports, the Executive Director and/or the Board of Directors of the WVSSAC shall investigate and adjudicate such reports in accordance with the powers afforded in §127-1-8.6 and 8.7 and §127-1-12.2 and 12.3 of the Constitution. Penalties up to and including suspension of member schools may be made in accordance with §127-4.

3.9. The following defines the different types of disciplinary action which may be assessed for violation of any WVSSAC rule by a member school, administrator, coach, athlete or contest official:

3.9.a. *Warning.* A warning may be given by the Executive Director or Assistant Executive Director. It is official notice that an inexcusable, unethical, or unsportsmanship action has occurred, is a matter of record, and that such an occurrence must not be repeated.

3.9.b. *Probation.* Probation is a much more severe type of warning and may be expressed two ways: 1) a school, coach, student, or team attendant on probation is told that further violations will lead to a fine or suspension; and/or 2) a school on probation is on conditional WVSSAC membership but may engage in its regular schedule, sanctioned events, and all WVSSAC tournament play, providing a program is filed with the Executive Director of the WVSSAC indicating measures to be taken to alleviate this problem which caused the school to be placed on probation.

3.9.c. *Suspension.* A school/coach suspended from the WVSSAC may not meet in interscholastic competition of any kind with a WVSSAC member school or a school that is a member of another state associated with the National Federation of State High School Associations.

3.9.d. *Fine.* A fine may be levied by the Executive Director.

3.9.e. Each of these sanctions (Warning, Probation, suspension and Fine) may be imposed or levied separately, or in a combination of one or more sanctions.

3.10 *Appeals.* All cases involving disciplinary action against member schools, coaches, students, team attendants, or officials may be protested in accordance with §127-6. However, disciplinary action imposed by an official, including disciplinary action that is a consequence of a decision by an official, such as a suspension for an additional game or games as a consequence of an ejection, is governed by rule 127-3-15.3 and is not subject to appeal.

3.11 *Review of Ejections.* Disciplinary action imposed by a contest official, including disciplinary action that results in a suspension for an additional game or games as a consequence of an ejection, is not subject to appeal pursuant to Rule §127-6. However, if the individual ejected believes the ejection was improper, he/she may request a review of the ejection by his/her principal. If the principal believes there is merit in the requested review, the principal shall complete and submit the WVSSAC Ejection Review Form within 24 hours or the next business day of the ejection to the Executive Director of the WVSSAC. If a review is properly requested, the WVSSAC will review the officials' special report, the WVSSAC Ejection Review Form, and such other information as the WVSSAC deems appropriate. Upon review, the WVSSAC Executive Director or the designated Assistant Director will either sustain the ejection and any consequent suspension(s), or will determine the ejection was improper and void any consequent suspension(s). A decision by the WVSSAC upon reviewing an ejection is not subject to appeal pursuant to Rule §127-6.

RECRUITING REGULATIONS

If a coach is contacted by a student, his/her parents, or anyone else regarding a student athlete transferring to his/her district, the coach shall refer the individual(s) to a school administrator in the district immediately. A coach cannot discuss the matter with the student or anyone else for that matter and should not even listen when the subject is brought up concerning students transferring to his/her school. School coaches working or coaching in outside school leagues and camps should be warned that a potential problem exists if a student later enrolls at the school where the coach is employed. The school administrator, after being notified by the coach that a prospective student athlete has approached the coach about possibly playing for his/her school team, should contact the WVSSAC office immediately. Seriously or jokingly telling a student that you would like for that athlete to play for you or your team shall be considered recruiting. Rules regarding individuals who engage in recruiting shall not be restricted specifically to school personnel.

GUIDELINES FOR SUSPENDED COACH/PLAYER

A coach or player who is ejected from a contest shall be suspended for the remainder of the game, match, meet or contest. An ejected coach shall exit the playing arena (out of sight and sound of the venue) as well as the team and bench areas. If there is not another person hired by the board of education to coach that sport or a professional from that school present to take his/her place, the contest shall be forfeited. Because of supervision and liability, an ejected athlete shall sit on the bench and shall not cause nor participate in any further problems. Furthermore, a coach or player shall not be permitted to attend subsequent contests of the suspension. He/she shall not be formally affiliated with the team in any capacity. This would include but not be limited to transportation to or from the contest, meeting with the team before, during or after the contest, wearing a uniform, or sitting in the bench or team area. Regular practice or team meetings not affiliated with a contest will not fall under this policy.
