

WVSSAC.online

For radio stations, video/audio streaming services and televisions stations interested in securing the media rights to any WVSSAC football playoff game, click on wvssac.online and complete the online registration. Payment via credit card/debit card is required at registration. Rights are subject to current terms and conditions to be agreed upon by Licensee.

All registrations and payments are required to be submitted via the online registration portal. The Licensee will receive confirmation via email. Host schools will be notified prior to each game which media outlets have been licensed.

Arrangements for facilities, electrical power and Internet connection with the Host school is the responsibility of the Licensee. Priority in space allocation for announcers and/or camera positions is determined by the WVSSAC and the Host school.

Video streaming services and television stations are encouraged to consult with the Host school regarding space and bandwidth prior to submitting the media rights registration.

This license agreement may be withdrawn and rights fee refunded by the WVSSAC at any time prior to the game should the WVSSAC and the Host school determine that adequate facilities are not available; or if the game is subsequently selected by the NFHS Network for exclusive coverage.
